

Hello Parents and Students,

This is an important update regarding Grad Bash payments and participation.

If your student paid the \$300 deposit, two additional mandatory payments of \$250 are required:

- **January 15** – Second payment due
- **February 15** – Final payment due

Students who miss either payment will forfeit their spot. As shared at the interest meeting, any behavior infractions before the trip will result in automatic removal from Grad Bash.

All trip updates are sent through the Grad Bash Parent '26 Remind

Parents, be sure to join :
