Things to note:

1. Alerts

- You will see an alert if you try to select a course for which you have not met the prerequisite. These alerts will be indicated in **red** on your Academic Plan. The course causing the alert should be removed and another course selected.
- If you think an alert is incorrect, follow up with your counselor to discuss the issue.

2. Alternative Courses

- It is not always possible to schedule all of your first choice electives due to scheduling constraints. Choose alternate trimester electives and place them in the “Alternates” area at the bottom of the course plan.

3. Save your plan

- Make sure you click the Save button at the top of the page.
- When you click save, you will be alerted to any errors. Try to correct the errors and save again. Reach out to your school counselor during school hours if you need assistance.
