Dear Ms. Wolf;

A-Z Bus Sales, Inc. would once again like to thank you for the award of your Bid #2963 and the buses which Clovis has purchased from our team. #2963

SCHOOL BUS VEHICLES

If mutually agreeable, the Clovis Unified School District reserves the right to consider the extension of this contract for a one- or two-year period as permitted by law. In the award of this bid renewal, the District will consider the amount of the price increase stated by the bidder as a factor and will compute accordingly. A price increase, if exercised, shall be fully justified by vendor and proved by a test of the market with submission of Consumer Price Index (CPI) increase.

Minimum contract term is one (1) year. Bid prices must stay in effect for one (1) year after award of bid and may be extended upon mutual written consent of District and Vendor for up to an additional four (4) one year periods ("Extended Term") in accordance with provisions contained in the Education Code, Sections 17596 (K-12). If parties agree to an Extended Term, the quoted prices in the bid shall stay in effect during the entire Extended Term. Parties may negotiate a one-time price increase at the beginning of each Extended Term based on the Fresno County Consumer Price Index (CPI), under the "ALL ITEMS" category per the unadjusted 12-month period, but may never exceed an increase of five percent (5%) from the previous term prices or exceed vehicle industry standard price increases, whichever is less. In no event shall prices set forth in the bid be raised at any time without written approval by the District. In the event of a general price decrease, the winning bidder shall notify the District in writing and pass the decrease proportionate to the general price decrease to the District. A-Z BUS SALES
AN EMPLOYEE OWNED COMPANY

January 11, 2024

Clovis Unified School District
Lacey Wolf Procurement/Buyer II
1450 Herndon Avenue
Clovis, CA 93611

RE: BID #2963 School Bus Vehicles

Dear Ms. Wolf,

We at A-Z Bus Sales are excited to have the opportunity to participate in this bid process for Type-A, Type-C, and Type-D school buses for the Clovis Unified School District (CUSD). We are proud to have served California School District's with school bus transportation needs for over 40 years and look forward to serving your district for many years to come.

We have reviewed the bid specifications and requirements and believe the products we are quoting meet or exceed your needs and expectations. The CUSD bid specification is clear and firm on providing California and Federal compliant school buses for a variety of passenger capacities. In addition to that broad specification requirement, it encourages options be offered to help customize the bus beyond just the passenger capacity and base options. Therefore, we have bid the line items which best fit the requested type and capacity and also provided an extensive list of options which allows the District to build off the base line item using discounted catalog of options. In this way we have provided a competitive catalog-type purchase opportunity for the fleet. This includes the option to select alternative-fuel drive systems such as CARB Diesel, Propane, and Electric to ensure the district has flexible options for the future.

Alternative-fueled school buses are becoming a requirement for fleets in California and A-Z Bus Sales has deployed more electric school buses than any other school bus dealer in the US. Included in our bid are buses manufactured by Blue Bird, which leads the industry in electric school bus deployments and has a reputation for quality and innovation. Blue Bird has been building school buses for over 90 years and is the only primary school bus manufacturer focused solely on the school bus market. Blue Bird partners with top-tier manufacturers in the EV space, like Cummins, who has been building powertrains for over 100 years and recently launched a new division dedicated to EVs called Accelera.

If CUSD has any questions regarding the catalog-style options and discounts prior to award, please feel free to contact us. We look forward to working with CUSD on this project and pledge to perform in accordance with the specifications outlined in this bid. Thank you in advance for your consideration.

Respectfully submitted,

Brandon Bluhm

CLOVIS UNIFIED SCHOOL DISTRICT
Purchase Order Contract

This Agreement is made this 14th day of Feb, 2024 by and between Clovis Unified School District "District" and **A-Z Bus Sales, Inc.** "Seller" with respect to the following recitals:

1. District is a public school district organized and existing under the laws of the State of California.

2. Seller has received notice of an award pursuant to **Bid 2963 – School Bus Vehicles** for the delivery of certain equipment, services, or other articles "Service".

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained herein, the parties agree as follows:

1. Description of Service. Seller agrees to deliver to school District's locations as specified in the bid specifications, the following:

Bid 2963 – School Bus Vehicles

2. Time of Commencement and Completion. The Service shall be delivered in full per bid specifications.

3. Contracts. District agrees to pay Seller the sum specified in the bid price listing, following timely receipt of the Equipment/Supplies and submission of an invoice to District.

4. Liquidated Damages. Seller agrees to deliver the Service to District pursuant to the terms of this Contract by the Completion Date unless Seller receives a written extension of time for delivery from District. Seller's failure to deliver the Equipment on time shall subject Seller to liquidated damages. The actual occurrences of damages and the actual amount of damages which District will suffer if the Equipment is not delivered by the Completion Date is dependent upon many circumstances and conditions and, from the nature of the case, it is impracticable and extremely difficult to fix the actual damages occasioned by delay. Damages which District would suffer in the event of delay include loss of use of the Equipment, disruption of school activities, cost of administration and the loss suffered by the public by reason of delay. Accordingly, the parties agree that the amount herein set forth as liquidated damages shall be presumed to be the amount of damages actually sustained by Seller's failure to deliver the Equipment by the Completion Date.
The amount of liquidated damages to be paid by Seller to District for failure to deliver the Equipment on or before the Completion date will be Two Hundred Dollars and 00/100 ($200.00) for each calendar day by which delivery is delayed beyond the Completion Date, such amount being the actual cash value agreed upon as the loss to the District resulting from the Seller's default.

If Seller becomes liable for liquidated damages, District, in addition to all other remedies provided by law, shall have the right to deduct the amount owed as liquidated damages from the contract sum due Seller. In all events, Seller and its sureties, if any, shall remain

liable to the District until all such liabilities are satisfied in full.

5. Conformance to Contract Documents. Seller agrees that the Equipment to be furnished pursuant to this Contract shall conform to all of the requirements set forth in the bid documents, specifications and any other writings which formed a part of the materials upon which the Seller was awarded this Contract.

6. Indemnity. Seller shall indemnify, hold harmless and defend District, and its Board of Trustees, officers, agents and employees from and against all claims, damages, losses and expenses, including costs and attorney's fees, arising out of or resulting from Seller's work under this Contract or for any infringement of the patent rights, copyright or trademark of any person or persons in consequence of the use by the District of Equipment supplied pursuant to this Contract.

7. Transportation Charges. Seller agrees to deliver all Equipment prepaid unless otherwise specified. All costs for delivery and packaging of Equipment are the responsibility of Seller unless otherwise stated.

8. Inspection. All Equipment furnished must be in conformity with the specifications and Contract documents and will be subject to inspection and approval by the District after delivery. District reserves the right to reject and return at the risk and expense of the Seller any portion of the Equipment
which may be defective or which fails to comply with the specifications in Contract documents.

9. Assignment of Contract. Seller agrees not to assign, transfer or convey any rights accruing under this Contract without the prior written consent of District.

10. Safety Regulations. All equipment and supplies furnished, and/or all work performed, shall meet all applicable safety regulations of the Division of Industrial Safety of the State of California, and Health & Safety code of the State of California.

11. Miscellaneous Provisions.

    11.1 Governing Law and Venue. This Contract shall be governed by and construed in accordance with the laws of the State of California. The parties also agree that, in the event of litigation, venue shall be in the proper state or federal court located in Fresno County, California.

    11.2 Notices. Communications hereunder shall be deemed given when delivered or mailed by registered mail, postage prepaid, to the parties at their respective places of business.

    11.3 Binding Effect. This Agreement shall inure to the benefit of and shall be binding upon the District and Seller and their respective successors and assigns.

11.4 Severability. In the event any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, such holding shall not invalidate or under unenforceable any other provision hereof.

11.5 Amendments. The terms of this Agreement shall not be waived, altered, modified, supplemented or amended in any manner whatsoever except by written agreement signed by the parties.

11.6 Entire Agreement. This Agreement constitutes the entire agreement between the parties. There are no understandings, agreements, representations or warranties, express or implied, not specified in this Agreement. Seller, by the execution of this Agreement, acknowledges that Seller has read this Agreement, understands it, and agrees to be bound by its terms and conditions.

12. Termination. The right to terminate this Agreement under this provision may be exercised without prejudice to any other right or remedy to which the terminating party may be entitled at law or under this Agreement. The parties may terminate this Agreement without cause by giving 90 days prior written notice of intention to terminate pursuant to this provision, specifying the date of termination.

IN WITNESS WHEREOF the parties have executed this Agreement on the date first hereinabove written.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Clovis Unified School District - Attendance (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

#2963

SCHOOL BUS VEHICLES

If mutually agreeable, the Clovis Unified School District reserves the right to consider the extension of this contract for a one- or two-year period as permitted by law. In the award of this bid renewal, the District will consider the amount of the price increase stated by the bidder as a factor and will compute accordingly. A price increase, if exercised, shall be fully justified by vendor and proved by a test of the market with submission of Consumer Price Index (CPI) increase.

Minimum contract term is one (1) year. If parties agree to an Extended Term, the quoted prices in the bid shall stay in effect during the entire Extended Term. Parties may negotiate a one-time price increase at the beginning of each Extended Term based on the Fresno County Consumer Price Index (CPI), under the "ALL ITEMS" category per the unadjusted 12-month period, but may never exceed an increase of five percent (5%) from the previous term prices or exceed vehicle industry standard price increases, whichever is less. In no event shall prices set forth in the bid be raised at any time without written approval by the District. In the event of a general price decrease, the winning bidder shall notify the District in writing and pass the decrease proportionate to the general price decrease to the District. The District reserves the right to revoke specific bid awards unless the decrease is passed on to the District.

CLOVIS UNIFIED SCHOOL DISTRICT
Purchase Order Contract

This Agreement is made this 21 day of February , 2024 by and between Clovis Unified School District "District" and **Model 1 Commercial Vehicles, Inc. dba Creative Bus Sales, Inc.** "Seller" with respect to the following recitals:

1. District is a public school district organized and existing under the laws of the State of California.

2. Seller has received notice of an award pursuant to **Bid 2963 – School Bus Vehicles** for the delivery of certain equipment, services, or other articles "Service".

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained herein, the parties agree as follows:

1. Description of Service. Seller agrees to deliver to school District's locations as specified in the bid specifications, the following:

Bid 2963 – School Bus Vehicles

2. Time of Commencement and Completion. The Service shall be delivered in full per bid specifications.

3. Contracts. District agrees to pay Seller the sum specified in the bid price listing, following timely receipt of the Equipment/Supplies and submission of an invoice to District.

4. Liquidated Damages. Seller agrees to deliver the Service to District pursuant to the terms of this Contract by the Completion Date unless Seller receives a written extension of time for delivery from District. Seller's failure to deliver the Equipment on time shall subject Seller to liquidated damages. The actual occurrences of damages and the actual amount of damages which District will suffer if the Equipment is not delivered by the Completion Date is dependent upon many circumstances and conditions and, from the nature of the case, it is impracticable and extremely difficult to fix the actual damages occasioned by delay. Damages which District would suffer in the event of delay include loss of use of the Equipment, disruption of school activities, cost of administration and the loss suffered by the public by reason of delay. Accordingly, the parties agree that the amount herein set forth as liquidated damages shall be presumed to be the amount of damages actually sustained by Seller's failure to deliver the Equipment by the Completion Date.
   The amount of liquidated damages to be paid by Seller to District for failure to deliver the Equipment on or before the Completion date will be Two Hundred Dollars and 00/100 ($200.00) for each calendar day by which delivery is delayed beyond the Completion Date, such amount being the actual cash value agreed upon as the loss to the District resulting from the Seller's default.

   If Seller becomes liable for liquidated damages, District, in addition to all other remedies provided by law, shall have the right to deduct the amount owed as liquidated damages from the contract sum due Seller. In all events, Seller and its sureties, if any, shall remain

liable to the District until all such liabilities are satisfied in full.

5. Conformance to Contract Documents. Seller agrees that the Equipment to be furnished pursuant to this Contract shall conform to all of the requirements set forth in the bid documents, specifications and any other writings which formed a part of the materials upon which the Seller was awarded this Contract.

6. Indemnity. Seller shall indemnify, hold harmless and defend District, and its Board of Trustees, officers, agents and employees from and against all claims, damages, losses and expenses, including costs and attorney's fees, arising out of or resulting from Seller's work under this Contract or for any infringement of the patent rights, copyright or trademark of any person or persons in consequence of the use by the District of Equipment supplied pursuant to this Contract.

7. Transportation Charges. Seller agrees to deliver all Equipment prepaid unless otherwise specified. All costs for delivery and packaging of Equipment are the responsibility of Seller unless otherwise stated.

8. Inspection. All Equipment furnished must be in conformity with the specifications and Contract documents and will be subject to inspection and approval by the District after delivery. District reserves the right to reject and return at the risk and expense of the Seller any portion of the Equipment
which may be defective or which fails to comply with the specifications in Contract documents.

9. Assignment of Contract. Seller agrees not to assign, transfer or convey any rights accruing under this Contract without the prior written consent of District.

10. Safety Regulations. All equipment and supplies furnished, and/or all work performed, shall meet all applicable safety regulations of the Division of Industrial Safety of the State of California, and Health & Safety code of the State of California.

11. Miscellaneous Provisions.

    11.1 Governing Law and Venue. This Contract shall be governed by and construed in accordance with the laws of the State of California. The parties also agree that, in the event of litigation, venue shall be in the proper state or federal court located in Fresno County, California.

    11.2 Notices. Communications hereunder shall be deemed given when delivered or mailed by registered mail, postage prepaid, to the parties at their respective places of business.

    11.3 Binding Effect. This Agreement shall inure to the benefit of and shall be binding upon the District and Seller and their respective successors and assigns.

11.4 Severability. In the event any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, such holding shall not invalidate or under unenforceable any other provision hereof.

11.5 Amendments. The terms of this Agreement shall not be waived, altered, modified, supplemented or amended in any manner whatsoever except by written agreement signed by the parties.

11.6 Entire Agreement. This Agreement constitutes the entire agreement between the parties. There are no understandings, agreements, representations or warranties, express or implied, not specified in this Agreement. Seller, by the execution of this Agreement, acknowledges that Seller has read this Agreement, understands it, and agrees to be bound by its terms and conditions.

12. Termination. The right to terminate this Agreement under this provision may be exercised without prejudice to any other right or remedy to which the terminating party may be entitled at law or under this Agreement. The parties may terminate this Agreement without cause by giving 90 days prior written notice of intention to terminate pursuant to this provision, specifying the date of termination.

IN WITNESS WHEREOF the parties have executed this Agreement on the date first hereinabove written.
