* Opportunity for honors, dual credit, or AP courses, which may help a student earn an Enrollment Honors Seal, Enrollment Honors Plus Seal, or an Employment Honors Seal.

Orange represents the Aviation Management/Maintenance pathway courses offered at C9. Central 9 courses meet for half a day or four class periods. Students are allowed to complete the aviation maintenance course without aviation management. Aviation maintenance is only offered during senior year and takes place at the Vincennes University Aviation Center near the Indianapolis airport. The student is responsible for transportation to and from the airport.

Green represents courses that can help a student earn an Enrollment Honors Seal. If students do not wish to earn an Enrollment Honors Seal, these spaces become personalized electives. The Enrollment Honors Seal requires chemistry and an additional science elective.
