Orange represents the cybersecurity pathway courses offered at C9. Central 9 courses meet for half a day or four class periods. Students could choose to take cybersecurity either junior or senior year, as it is a one-year program. C9 also offers a one-year Information Operations Technology program, which could be taken during senior year.

+ Students are eligible for a Credential of Value (CoV) entitled "Comp TIA Security" with a 5.0 rating. Completing this CoV may help a student earn an employment honors seal or an employment honors plus seal.

Green represents courses that can help a student earn an Enrollment Honors Seal. If students do not wish to earn an Enrollment Honors Seal, these spaces become personalized electives. The Enrollment Honors Seal requires chemistry and an additional science elective.

Yellow represents courses that may help a student earn an Employment Honors Seal, Employment Honors Plus Seal or an Enrollment Honors Plus Seal. If students do not wish to earn one of these seals, these spaces become personalized electives.
