* Opportunity for honors, dual credit, or AP courses, which may help a student earn an Enrollment Honors Seal, Enrollment Honors Plus Seal, or an Employment Honors Seal.

Orange represents the pharmacy tech pathway courses offered at CGHS.

+ Pharmacy Tech classes are offered online through KLR Certifications. Online classes are synchronous, meaning they meet at set days and times with a live instructor. Once students reach the internship, they are placed at both a retail and hospital pharmacy. Completion of the program culminates in a license as a pharmacy technician. The pharmacy tech program can be completed in one or two years.

Green represents courses that can help a student earn an Enrollment Honors Seal. If students do not wish to earn an Enrollment Honors Seal, these spaces become personalized electives. The Enrollment Honors Seal requires chemistry and an additional science elective.
