Please use this form to rank the four UPK Community-Based Organizations that are available to our Seaford UPK students: Harmony Early Learning, Kiddie Junction, Learn & Grow, and Maplewood School. The registration process is open from December 15, 2025, to January 9, 2026. Placements will be selected by lottery. Although we are asking for your preference, there is no guarantee that your child will be given a seat at your first or second choice location in the lottery. It is important to note that no applications will be accepted after 4:00 p.m. on January 9, 2026.
