increased enrollment in the Food rea, a new shop instructor has ed to the staff. He is Mr. Gerald

Slaney, a resident of Plainville, Mass. Prior to his appointment at Diman, Mr. Slaney worked at the Lafayette House in Foxboro for nine years. He is now toward his B.S. at Fitchburg lege.

The Graphic Arts department has a new faculty member, Mr. Robert LaMacchia, who will teach letterpress and offset printing to freshmen and sophomores. Mr. LaMacchia has 28 years in the printing trade. A native of Norwood, Mass., he has previously been employed at Multiprint, Inc. of Boston, Mr. LaMacchia has his Vocational Teaching Certificate from Fitchburg State College.

The Math-Science department has added two more instructors to its ranks. Mrs. Denise Haskins, a Fall River resident, is teaching freshmen science and senior physics. Mrs. Haskins previously has taught science at Sacred Heart Academy here in Fall River. She received her B.A. in Math and Science from Bridgewater State College. Mrs. Haskins is now working towards her master's degree in Physics at S.M.U.

Also appointed to the department was Mr. LeMay, who is teaching math, algebra, and geometry. Mr. LeMay previously worked in the Peace Corps on the Fiji Islands at Labasa Muslim High School from 1971 to 1973. He is a graduate of the University of Massachusetts and is presently working on his master's degree at S.M.U. Mr. LeMay resides in this city.

Honest praise honestly deserved is food and drink to the mind and spirit.

Yesterday is but a dream and tomorrow, but a vision. However, today, well lived, is the reward to yourself.

The Metal Fabrication & Welding shop has also recruited another shop instructor. Mr. Ralph Greenwood, a Dartmouth resident, is working toward his B.S. in Vocational Education at Fitchburg State College. He already holds his Vocational Teaching Certificate from there. Previously Mr. Greenwood was employed at Houghton Bros. and Milhench, Inc. of New Bedford, and Fall River Sheet Metal.

Mr. Raymond Pita is Diman's new physical education instructor. His teaching assignments include the freshmen, sophomores, and seniors. A graduate of the University of Rhode Island with a B.S. in physical education, Mr. Pita is now working for his master's degree. He currently resides in Pawtucket, Rhode Island.

FRESHMAN FOOTBALL

cont. from Page 3

This is coach McDermott's first coaching job and he says he is enjoying it.The coach commented that the players are giving him excellent cooperation and he is hoping to win more games. All the members on the team are all doing a good job.

These players include Jim Kingman, John Desmond, Jeff Khoury, Joe Couto, Dennis Lima, Claude Levesque, Mike Herbert, Jeff Poissant, Larry Santos, John Welch, Brian Souza. Dave Rioux, Don Hanson, Dave Pavao, Tim Allaire, John Medeiros, Dennis Sherman, Peter Martin, John Campbell and Mark Rapoza.

The *Tradesman* hopes that Coach McDermott and his freshman squad will have a successful season.

Diman Key Club

The Diman Key Club is currently starting their annual Christmas drive for toys, food and money. We are asking for help from the entire school, students, teachers, administrators, cafeteria staff, clerical, and custodial staff. The support the club has received in the part has been phenominal and has enabled the club to help a great many families in the Greater Fall River area.

NEW COACHES APPOINTED

Mr. Martin planning his next strategy.

Soccer Coach Brings Years of Experience

Diman's soccer team is once again on top of the Southeast Conference's West Division. This year the coaching expertise is being provided by Mr. Manny "Youngie" Martin. He replaces Mr. Booth who resigned last fall after leading previous teams to many conference titles.

Coach Martin is no newcomer to the soccer scene. His credentials include previous coaching experience, as well as an outstanding record as a soccer player. The coach's playing experience started in the Junior Leagues where he proved himself worthy for the U.S. Olympic team in 1948. For the next five years in the Fall River-New Bedford area with the Ponta Delgada team. This team, incidentally, was the American soccer team to win in one season the Amateur and Challenge Cups.

Mr. Martin was also a player coach for a Fall River team in The American League in 1951, and later for a team in New Bedford.

Coach Martin's other experience includes a full-time coaching job in 1960 for Durfee Tech, now a part of Southeastern Massachusetts University. He led that team to its first winning season.

The *Tradesman* staff wishes Coach Martin, good luck in his first season as Diman's soccer coach.

Two Administrators Appointed

by Dave Gibbons

This year Diman has two new coordinators in charge of special areas, designated to help things run smoother this year.

Thomas J. McGarr has been assigned to be the occupational coordinator for Diman. Currently a resident of Westport, Mass., Mr. McGarr is in charge of supervising all high school shop activities. He has earned his B.S. and M.S. degrees while attending the University of Massachusetts, University of New Hampshire and Cornell University. He has held previous positions at Templeton High, Westport High and Norfolk County Agricultural High Schools.

Appointed as a special needs/area coordinator is Robert C. Norton, who has earned his B.S. and M.S. degress in education from Bridgewater State College, and his M.S. in counseling from Boston University. Mr. Norton has been employed at the Arnold School of East Pembroke, Mass., the Tobin School of Boston, the Cushing/Hatherly/Jenkins Schools of Scituate, Mass., Marshfield High School and the Mullis Public Schools. He is presently residing in Marshfield.

Varsity Football

This fall Diman's varsity football season opened under new leadership. Mr. Karl Peterson, former freshmen football coach, has assumed the duties of varsity coach. He replaces Mr. Robert Hurley who was appointed as a guidance counselor this September.

In addition to his grid responsibilities, Mr. Peterson's daily schedule includes physical education instruction, along with teaching English.

Mr. Peterson feels at home on the foot ball field, since he has both played and coached football in the past. As a player, Coach Peterson was a member of the Bishop Stang squad during his high school career, and later as a college gridder for Northern Michigan.

Mr. Peterson s coaching experience was gained at Bishop Stang where he was a line coach, in addition to his former coaching duties here at Diman.

Coach Peterson has the experience and leadership qualities to mold a respectable football team. Hopefully with the cooperation of the squad members, some hard work, and a lack of serious injuries, Coach Peterson should be able to lead the Bengals through a successful season.

Mr. Peterson, our new varsity football coach.

From The Editor's Desk

Why Just Fill Up Space?

What you are now reading is known as a filler. You are reading it because there was a hole to fill in the paper.

You might not enjoy this, as it is nothing but filled-up space, but the staff is forced to write these fillers because most readers refuse to comment, criticize, or praise the paper. Therefore, the staff does not know what to write about or, better yet, what not to write about.

Why not speak out and contribute anything you feel of worthwhile importance to yourself or to your associates? Why don't you tell the staff what you do want to read about,know about? Then, such nonsense space-fillers as this won't have to occupy space in your paper.

"Ed has started learning to work with his hands in Shop."

Faculty Transfers

by Kevin Robertson

Mr. Robert Hurley and Mr. John Mullaly have been reassigned to new positions at Diman this year. Mr. Hurley has been the freshmen-sophomore physical education instructor for the past three years. He will now serve as a guidance counselor for about three hundred high school students.

Six years ago, Mr. Mullaly began teaching economics here at Diman. In 1973 he was assigned to the guidance department. After two years in that capacity, Mr. Mullaly has returned to his original position teaching economics.

Record Grooves

by Dave Gibbons

To start off a new year of reviewin' records, let's look into some surprises on the scene *Kiss "Alive"* is the latest rocker from the Brooklyn Bad Boys and this LP definitely shows why they are tearing up America. Mixed with their garish stage show and their own special brand of hot rock n' roll, this release could very well be *the*live album of 1975. It's only too bad that you couldn't get video to go with this album, because this band has to be seen to be believed, an ace album, indeed.

"Minstrel in the Gallery" is the newest from Ian Anderson and Jethro Tull, and it could be called a step backwards, but in the right direction, you might say. Sounding more like *"Benefit"* with the echoey vocals and much acoustic guitar, this album is quite a transition from *"War Child"* which was quite contemporary. Even though a soft presence is felt in this disc, some heaveness is still injected in this album, as indicated in the title track and others. A probable must for the Tull fan.

Black Sabbath has launched their latest excursion into the realm of heavy metal with *"Sabatage"* This is another album of change for Sabbath, as they try to reside back into the murky seclusiveness of their *"Volume 4"*album (after coming out of a very comprehensive Sabbath, Bloody Sabbath). They also have included a keyboardist in their tightly-augumented set. Gerald Woodruffe has been asked to play the keys on the new album and on the '75 tour. A new album, a new sound from the Sabbath.

Three cheers for the one, who having nothing to say, proves it with silence.

Too often, the ignorant believe they all the answers, while the educated remain doubtful.

Stamps

Recent issues

Collectors interested in keeping pace with the U.S. postal issues should note that the U.S. Postal Service Bicentennial block of four stamps issued on September 3 might still be available from your local postmaster.

In addition the U.S. P.S. issued two setenant ten cent commemoratives on Banking and Commerce on October 6. This pair of stamps pictures early U. S. coins. If you are unable to purchase any of these issues locally, then send a stamped self-addressed No. 10 envelope to Philatelic Sales Division, Washington, D.C. 20265. Request PS Form 3300 which will give you instructions for ordering.

Postal Card Release

Since not all stamp collectors are just interested in acquiring mint stamps or plate blocks, it might be interesting to note that the Postal Service has issued a new 7¢ postal card honoring the American patriot, Charles Thomson. It was Thomson who served as secretary to the First Continental Congress and was one of the signers of the Declaration of Independence. The postal card is in a 7¢ denomination because of a recent change in the postal card rate.

New Issues

The Christmas season will bring two new commemoratives to the postal scene. The first stamp will depict and early Christmas card originally designed by Louis Prang. The second commemorative will picture the *"Madonna and Child"* painting by Domenico Ghirlandio. The issuing of these stamps will mark the first time a U.S. stamp has been issued without a printed denomination.

Bicentennial Outlook

The world of stamp collecting will share in the 1976 bicentennial celebration. About one hundred different commemoratives will be issued by the United States. This large output will add much excitement to U.S. collecting, but also the expense of about $10 for mint singles alone.

Included in the proposed releases are:
- Fifty State Flags Series (sheet of 50)
- Declaration of Independence (sheet of 32)
- Spirit of 76 (strip of 3)
- Commercial Aviation (1)
- Centenary of Telephone Invention (1)
- Science of Chemistry (1)
- Signing of Declaration of Independence (strip of 4)
- Christmas '76 issues (2)

If you would be an expert at some skill, teach it to another.

Varsity Football

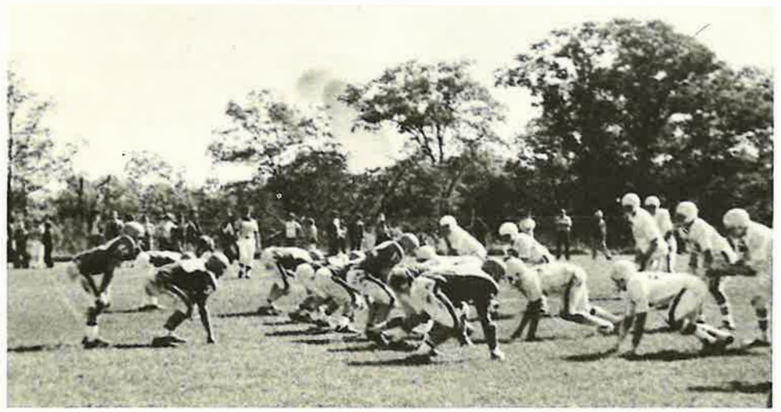

by Jim Souza

With two pre-season victories Diman's football team seemed to be headed for a fine season. When the season opened the Bengals dropped victories to Moses Brown and Bristol Plymouth which coach Peterson said they should have won. In their third contest Old Rochester started a good running game early and continued it through the whole game. In the fourth game Diman combined a team effort and aggresive playing to defeat Assabet 8-6 with a two point conversion after their touch down.

Coach Peterson said the team has potential to win more games and he is getting great cooperation from all his players, they are all thinking football.

Diman's reputation of injuries has taken its toll again as their starting quarterback Rick Kelly, tore ligaments in his leg,and will be out for the rest of the season.

Players who have proven to be tops on the team are: Ray Morado, Bob Wolfe, Mark Columbe, and Steve Dufrense. Other promising players include Jim Brown, Ray Dussault, Paul Leduc, and Mike Lynch.

Cross-Country

by Jim Souza

The Bengals cross country team this year, finished its season with a 5-2 division record tied with case for second. The team had a overall 6-3 record with wins over Bishop Freehan, Bishop Stang, Bourne, Old rochester and Westport.

The team also participated in the division meet held on Oct. 23. The varsity squad finished 3rd in a field of 8 other teams, but the J. V. squad finished first with Jeff Howard and Chris Carriero capturing the first two positions. This year's team was a large one with 24 members. Top scorers out of these Twenty-four are:Chris Menard, Ron Bernier, Tom Tillson, John Ciullo, Bob Dunn, Phil Araujo, and Timmy Tillson.

The two division loses were against Case and Norton, both of which were very close. The Case meet was the tightest as Case won by 1 point 29-28. The Norton contest, another tauntly fought race, was dropped by the Bengals 30-26

The *Tradesman* would like to congratulate coach Cantwell and the entire cross country team for another winning season.

Freshman Football

by Jim Souza

The freshman football team has a new coach, Thomas McDermott. He has gotton the team off to a great start this season as they have beaten Bristol Plymouth 6-0 in their first game.
