"Up In Smoke"

Cheech and Chong in "Up In Smoke"

This movie is great, if you like the style of Cheech and Chong on recent LP's. "Up In Smoke" is a visual display of Cheech and Chong's total insanity. Many of the skits on the album are acted out. Pedro and the Man are the main characters in the film. The movie is packed with adventures and constant comedy. The film starts with Pedro picking up the Man hitchhiking all the way to a punk rock fight at the Roxy. It is a very good movie now playing in the Fall River area. So why not give it a look!

Science Projects

This is just a reminder that students wishing to participate in this year's science fair should talk with their individual science teachers if they have any questions. Diman students have been very successful in the past and we want to keep this tradition going. Also, you may consider entering the "Westinghouse Science Talent Search" which now has awards totaling $89,500. The competition is tough throughout all 50 states, but the final 40 national winners will visit Washington, D.C. for five days.
If you are interested, you must act now by seeing Mr. Slekis, math-science department chairman. Deadline for entries is early in December.

Four Appointed To Diman Staff

by Sheryl Croteau

At the beginning of each school year, *The Tradesman* staff introduces the new members of the faculty. This September, four new instructors were appointed to the Diman staff.

Mr. Thomas Mullins

Mr. Thomas Mullins joined the faculty this fall as an auto mechanic instructor. He brings to the shop thirty-two years of automotive experience and twelve years of technical teaching experience. Mr. Mullins formerly worked for W.W. Leach & Co. Inc., in addition to teaching at Blackstone Regional Vocational Technical High School. A Tiverton, Rhode Island resident, Mr. Mullins enjoys baseball and fishing.
In the culinary arts department, Mr. David A. Viveiros has been appointed to teach sophomores, juniors, and seniors in shop. Mr. Viveiros is a graduate of the Culinary Institute of America with an Associate's Degree. Mr. Viveiros worked at the Lafayette House and Newport Creamery, in addition to teaching at Johnson & Wales Junior College. He brings to the shop, ten years of culinary expeirence, four years of food management, and three years of teaching experience. A Fall River resident, Mr. Viveiros enjoys tennis and oil painting, in addition to giving culinary instruction to various clubs and organizations.
Two new instructors were appointed to the math/science department. Miss Susan Pereira was appointed to teach Algebra I&II, in addition to Geometry. She holds a Bachelor of Science degree in math. Miss Pereira formerly worked as a substitute at Morton Junior High School. A tennis and basketball enthusiast, Miss Pereira resides in Fall River.

Miss Susan Pereira

The last instructor named this academic year was Mr. Jack Toto. Mr. Toto is a Worcester State College graduate with a B.S. in Natural Science and four years of teaching experience at Austin-Cate Academy. He also served in the United States Air Force, and worked for Loring Photo Studio and the Lambert Construction Company. A Middletown, Rhode Island resident, Mr. Toto enjoys golf, basketball, hockey, and photography. Hunting and white water canoeing also occupy much of Mr. Toto's spare hours.

Droopy Slouch

It is a well known and accepted fact that good posture is one of the most important facets of a person's appearance. But few people realize the important part that good posture also plays in the health picture.

The body is meant to be held in a proper upright position with all of the vital organs in place and the blood circulating through it the way it was designed to do. Throw and twist it out of shape for long periods of time and the body has to work twice as hard to do what should be automatic.

It is easy to recognize the chronic "slouch," and it also is easy to recognize his symptoms. The "slouch" often becomes easily fatigued, always complaining of a listless feeling, and he has a difficult time just getting through the day.

Usually, tall students are the worst offenders when it comes to tallying up bad posture habits, for most of them stoop in an effort to lop off an extra inch or two.

But when it comes to sitting, both tall and short students alike ignore this situation, forgetting that good posture is important all the time.

If you remember to stand tall, walk straight, and sit "pretty" you'll be a stand-out in any crowd.

A slouch looks like a droop. Don't! Look alive . . . and you will be.

Empty Dreams or Full?

"My treasure chest is half empty," wailed the king.

"No, sire," said the king's advisor. "Your treasure chest is half full."

So is it with life.

The pessimist measures the *emptiness* of a thing or a situation with that frame of mind drains the remainder.

The optimist measures the *fullness* of a thing or situation and with that frame of mind adds to the remainder.

Literary Magazine Unnamed

Members of this year's National Honor Society are planning to publish a literary magazine which will contain student writings. Any original short story, poem, or essay can be contributed. Photographs and art work would also be appreciated.

If you have a suggestion for the name of the magazine, or if you feel that you could contribute to its success, kindly complete the blank below and return it to Mr. Brosnan.

Key Club Corner

The Key Club is planning a yard sale here at school on November 18. They will accept all items of no use to you, but which could be sold at this sale. If you do have items you would like to donate, please bring them to Room B230. Household items, toys, and books would be greatly appreciated.

Students who have been in this school for a few years, already know about the Christmas baskets, that the club gives to deserving families of Diman students. Anyone who would like to donate some loose change to the cause, can do so by placing your contributions in the jars throughout the school.

The Key Club is a service organization. All money that is raised is used to serve the general public. If anyone would like to join the Key Club or would like more information about it, you can contact a member of the Key Club in Room B230 before 8:00 A.M.

EASY TO KEEP IN SHAPE

You don't have to be an athlete or a body-building "nut" to keep your muscles in shape. According to a report issued by Muscular Dystrophy Associations of America, muscle weakness not caused by disease, but by *disuse*, can be dramatically improved with regular exercise taken in moderation, proper nutrition and rest.

STAMPS

The 1978 U.S. stamp program has ended with the issuance of two Christmas stamps. A variety of subjects have been featured this year such as the American owls and American trees. Probably the most sought after issue of the year was the Capex souvenir sheet which contained eight different stamps.

Plans for the 1979 program have already been announced by Postmaster General William F. Bolger. Twenty-nine different commemoratives focusing on fourteen subjects will be issued, in addition to five postal stationery items.

The following is the topical list with dates of issuance, if available at this time:

Varsity Soccer

by Jeff Gosciminski

This year's Diman varsity soccer team is off to a rather slow start, because of the loss of seven senior members who graduated in June. This year only three senior members are on the team: captains, Joe Couto and Marc Roy; and Armando Silvia.

So far, the record compiled this year is 1-7-1 (win-lost-tie) with the only victory being a 1-0 victory over Westport.

Coach Youngie Martin stated that this year will be a rebuilding one, letting the younger players gain more experience for the next year to come. The varsity soccer team has tough competing against teams in Division I such as Dennis Yarmouth and New Bedford Voke, as well as teams on the Cape.

READY TO EXERCISE?

The only exercise some people get is jumping to conclusions, copying somebody else's work, pushing their luck, dodging issues, passing the buck, running down others, and sidestepping responsibilities.

How do you exercise?

Varsity Cross-Country

by Jeff Gosciminski

Diman's cross country squad ended their season with a 2-4 (win-loss) record in Western Division I, and an overall record of 5-4. The squad had five senior members, three of whom were co-captains. The co-captains were: Dennis Lima, Don Proulx, and Rick Brogan.

Other senior members included: Wes Dunham and Tom Midura. Last season's course record of 13:08, which was held by Karl Hetzler was broken this season by co-captain Dennis Lima in a time of 13:05.

MIND SOME GOOD ADVICE

Mind your own business.
That's good advice.
Still, some people don't;
can't. And there are two reasons:
1. — No business.
2. — No mind.
