Newsletter 14– Autumn Term 2

12th December 2025

Dear Parents,

It was lovely to welcome so many families to Lower Chapel to join our Christingle service. Thank you for protecting our school community by keeping children at home to rest and recover when they are not well enough to attend school. I hope that most families have now recovered from the germs that have been circulating and we look forward to welcoming children back to school when they are well enough. Next week children can wear Christmas jumpers to school on Wednesday for our Christmas Dinner. We finish at 1:15 on Friday 19th December. The only clubs running next week are Dance (Mon) Football (Weds) and Scrumys (Thurs).

Wishing you a lovely weekend, Emma Stanford Smith (Headteacher)

LEARNING SNAPSHOTS

Year 1 moved onto 2D shape this week and have been learning the names of a range of shapes and revising the names of shape they already know. In English we started a new story book and created a class poem linked to the story. In Geography we looked at human and physical geography again and played the popular BINGO game. The children are looking forward to their marble jar treat to Windsor Castle next week.

Phonics Sounds

Year 2 have continued their art project this week and created their own still life artwork. They developed their sketching skills and used watercolours to paint their artwork. They consolidated their knowledge of shape in maths with some challenges. They also looked at characteristics of the countries in the United Kingdom using an atlas.

Ask me: What are the characteristics of the countries in the United Kingdom?

Year 3 have had more fun with clay this week! The children have made their bell beaker pots and are looking forward to taking them home when they have finished drying. The children have also been writing persuasive letters in English. In History, the children have finished 'Through the Ages!' they have enjoyed acting as archaeologists, looking for clues to tell us about prehistory.

Ask me: What clues can archaeologists use?

Year 4 have had another brilliant week! The class have been working hard all week to learn their lines and songs for the Christingle, and as a result their performance in the chapel was very impressive. On Friday morning, the class had a special computing session delivered by St Peter's Middle School which they enjoyed. The children also celebrated their out of school achievements in an assembly this week.

Ask me: What did you do in your computing session?

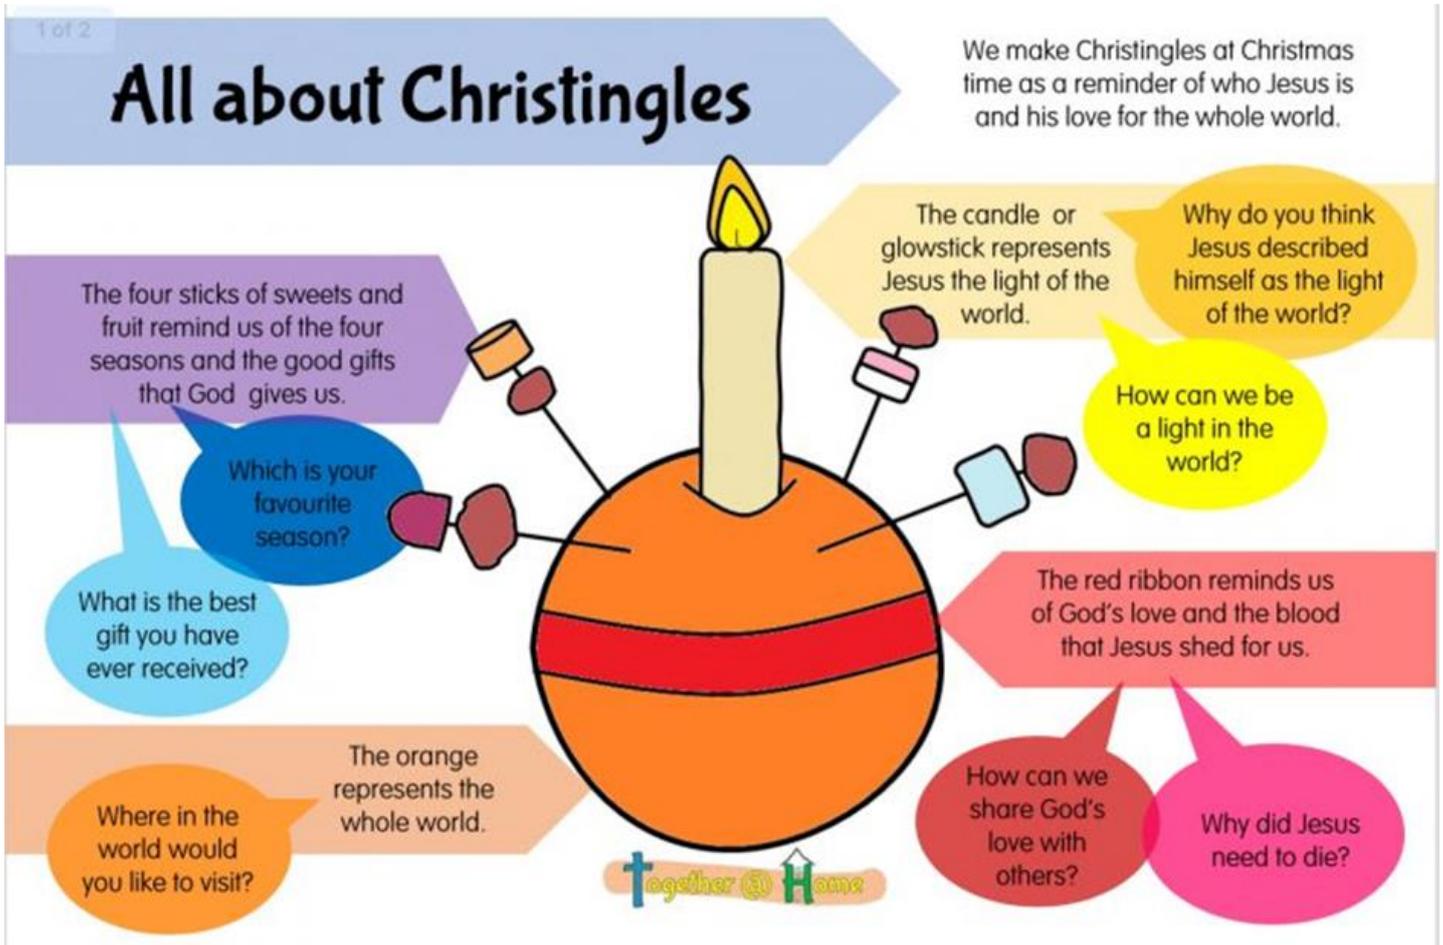

Reception have been enjoying reading the Tortoise and the Hare this week following on from last week's pantomime. We have talked about not giving up and helping our friends when they are struggling. We have continued Puppets and Pop Ups this week by making moving puppets and shadow puppets. We also spent time learning about how Christmas is celebrated around the world and made some posters for our RE interhouse competition.

Ask me: Is Christmas celebrated in the same way in other countries?

Worship

We made Christingles this week but did you know what each part represents?

This week all of the children took part in an inter-house competition. The aim was for the children to learn about global diversity of Christian Christmas tradition. They produced some great posters and information about how Christmas is celebrated around the world. Well-done to Jet house who were the winners and celebrated with an extra playtime today!

FORTHCOMING DATES

17th December	Whole School Christmas Lunch . Children can wear Christmas jumpers
19th December	Last day of term finish at 1:15pm
5th January	Children Return to School

OUT OF SCHOOL ACHIEVEMENTS

This week we celebrated the children's achievements outside of school and we were all very impressed with what they have been up to.

WELLBEING CHAMPIONS

Well done to our wellbeing champions for their achievement and participation in the emotional wellbeing champions programme

Sparkly Green
