Dear Springfield Families,

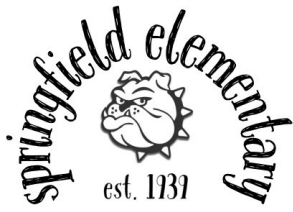

New Jersey school districts, charter schools, and renaissance school projects are required by statute (*N.J.S.A. 18A: 7C-6.6*) to annually notify parents or guardians by October 1 of any statewide student assessment or commercially developed standardized assessment that will be administered over the course of the school year. As in previous years, Springfield Township Elementary students in grades three through six will participate in the New Jersey Student Learning Assessments for English Language Arts and Mathematics (NJSLA-Adaptive). Additionally students in grade five will also participate in the New Jersey Student Learning Assessment for Science.

Please note that the stated test dates are subject to change. In the event of any revisions to the schedule, families will be notified as soon as possible. We appreciate your support in students' participation of these assessments by scheduling family plans around the NJSLA testing windows, if at all possible.

Sincerely,

Mahe Zaidi
