Moonachie Families,

We just want to send a quick note to thank everyone for their cooperation and understanding this week. There was clearly a flu bug that has gone through the school. We commend all of our families, students, staff, and especially Nurse Pina, for all of our efforts in identifying illnesses, following protocols, and communicating appropriate next steps with each family.

We have been in touch with the Bergen Health Department every day and it does appear this bug is running through the whole county. We have also been spraying every inch of the building each night with antibacterial sanitation, just as we did during the COVID pandemic.

We hope everyone continues to get healthy as we all prepare for a joyous holiday season. Have a restful weekend and we all look forward to (hopefully) getting back to normal on Monday.

Queremos enviarles una breve nota para agradecerles a todos su cooperación y comprensión esta semana. Evidentemente, ha habido un brote de gripe en la escuela. Felicitamos a todas nuestras familias, estudiantes, personal y, en especial, a la enfermera Pina, por sus esfuerzos para identificar los casos de enfermedad, seguir los protocolos y comunicar los pasos a seguir a cada familia.

Hemos estado en contacto con el Departamento de Salud de Bergen a diario y parece que este virus se está propagando por todo el condado. Además, hemos estado desinfectando cada rincón del edificio todas las noches con un desinfectante antibacteriano, tal como lo hicimos durante la pandemia de COVID-19.

Esperamos que todos se recuperen pronto mientras nos preparamos para una alegre temporada navideña. Que tengan un buen fin de semana y esperamos (con suerte) volver a la normalidad el lunes.

---

Best,

Mr. James Knipper
