Onboarding is a one-time, guided experience designed to prepare you to use SchooLinks. You will complete Onboarding the very first time you log into the platform.

Step 2:

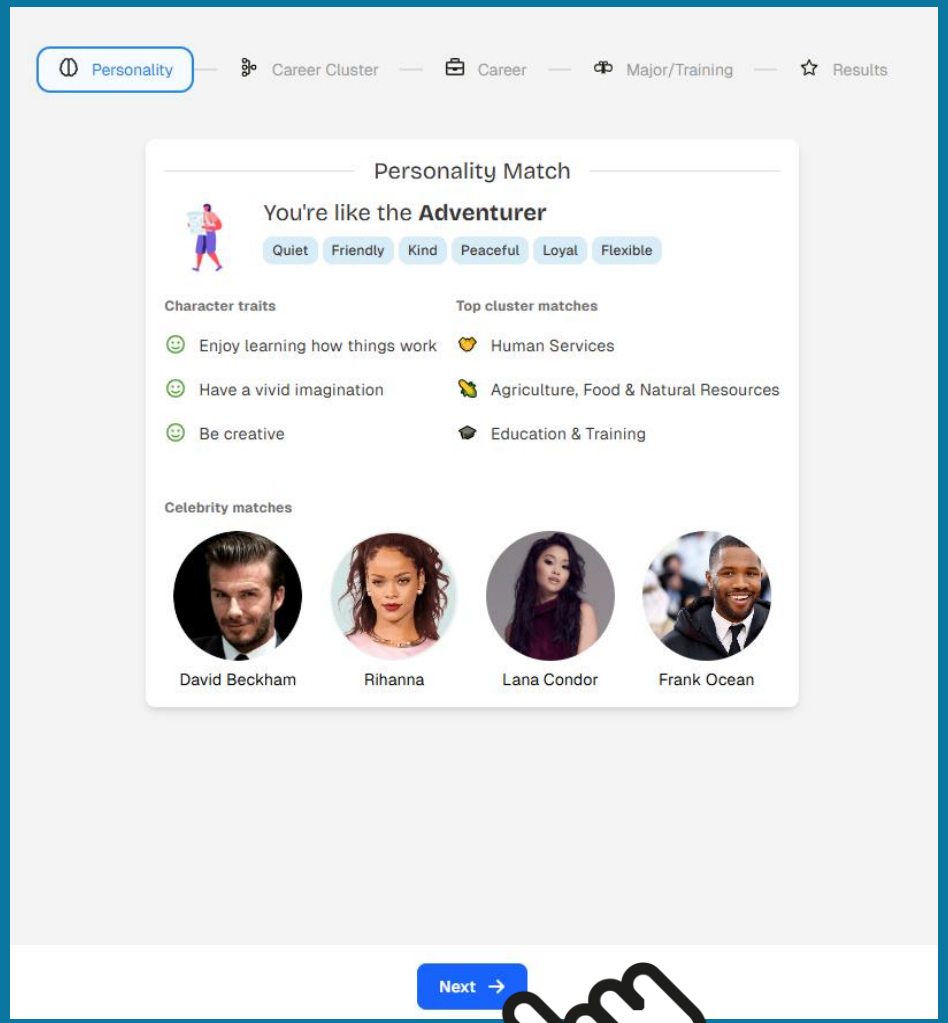

- The first time you log in to SchooLinks, you will be prompted to complete "Onboarding." Click **Let's go** to get started.

2

Step 3:

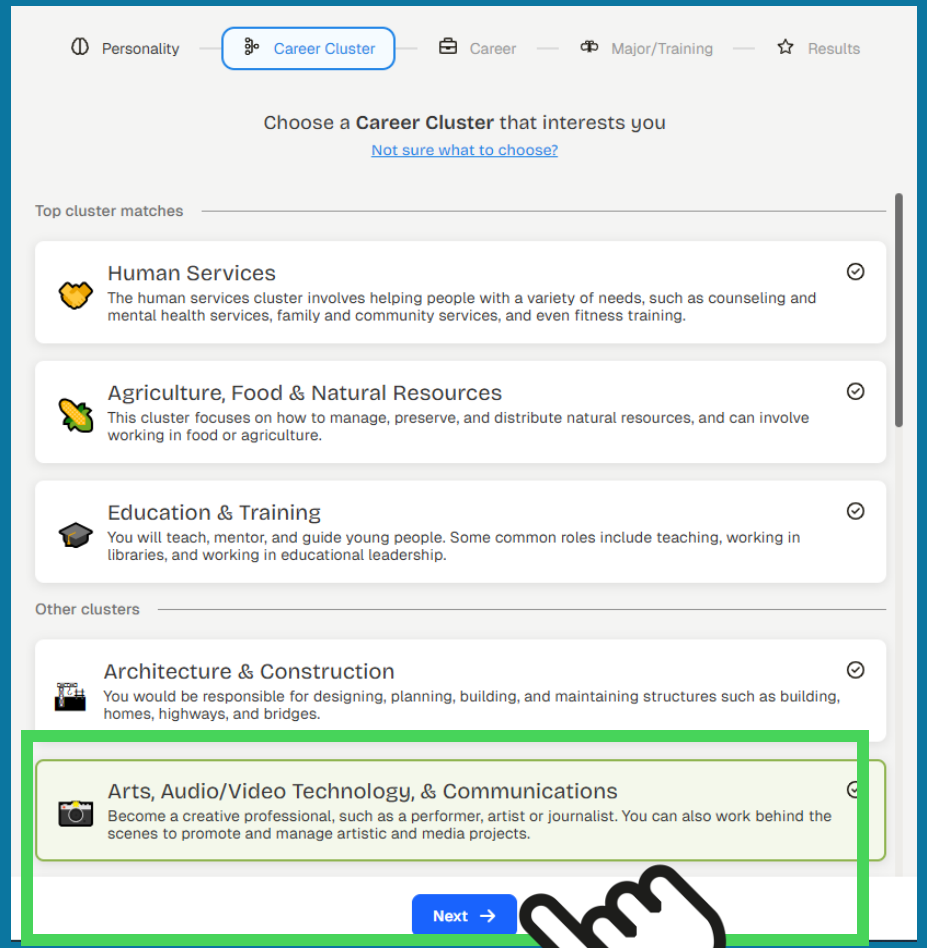

- Complete the **Find Your Path** assessment. Read each statement then click the green check if you agree or the red x if you disagree
- Next, you will see a summary of your **Find Your Path results** including a personality match, a list of character traits, top career cluster matches, and celebrity personality matches.
- Click next to move to the next section

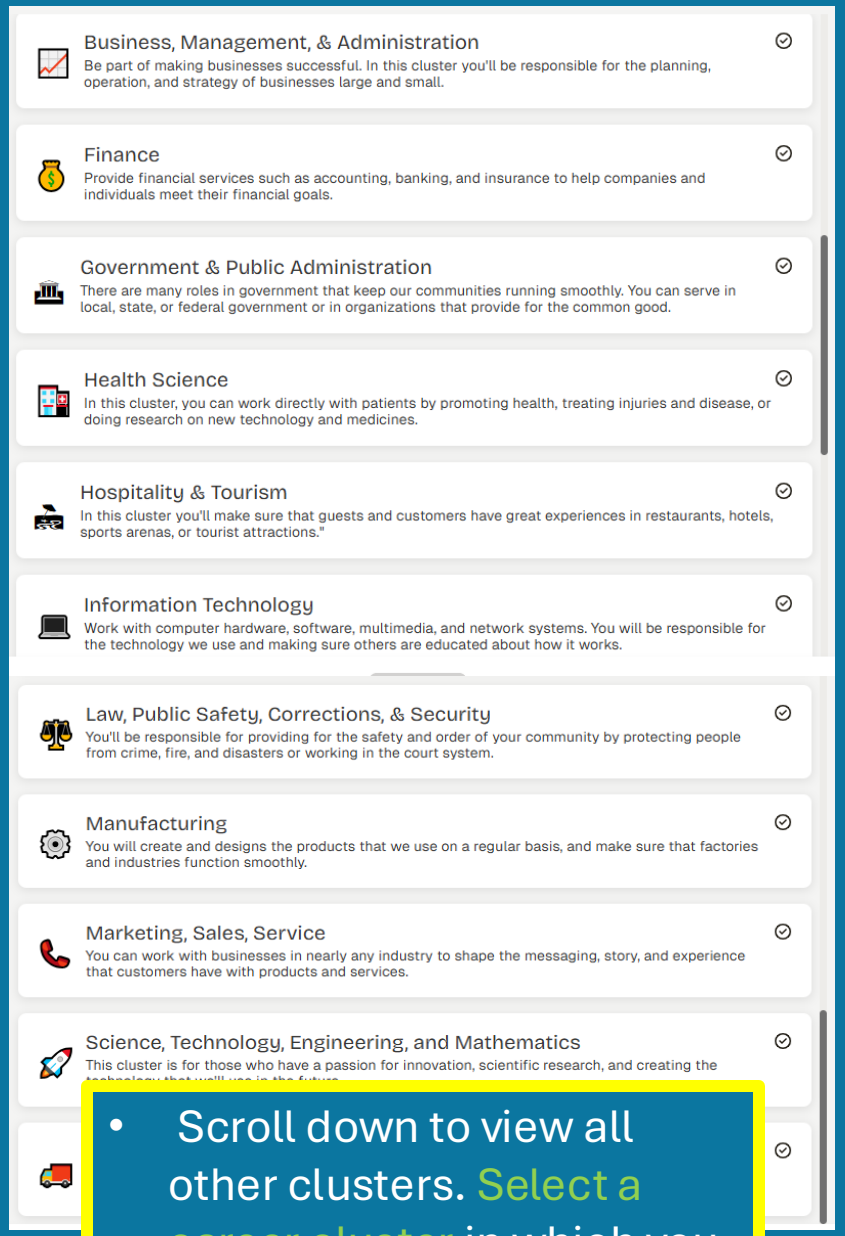

3

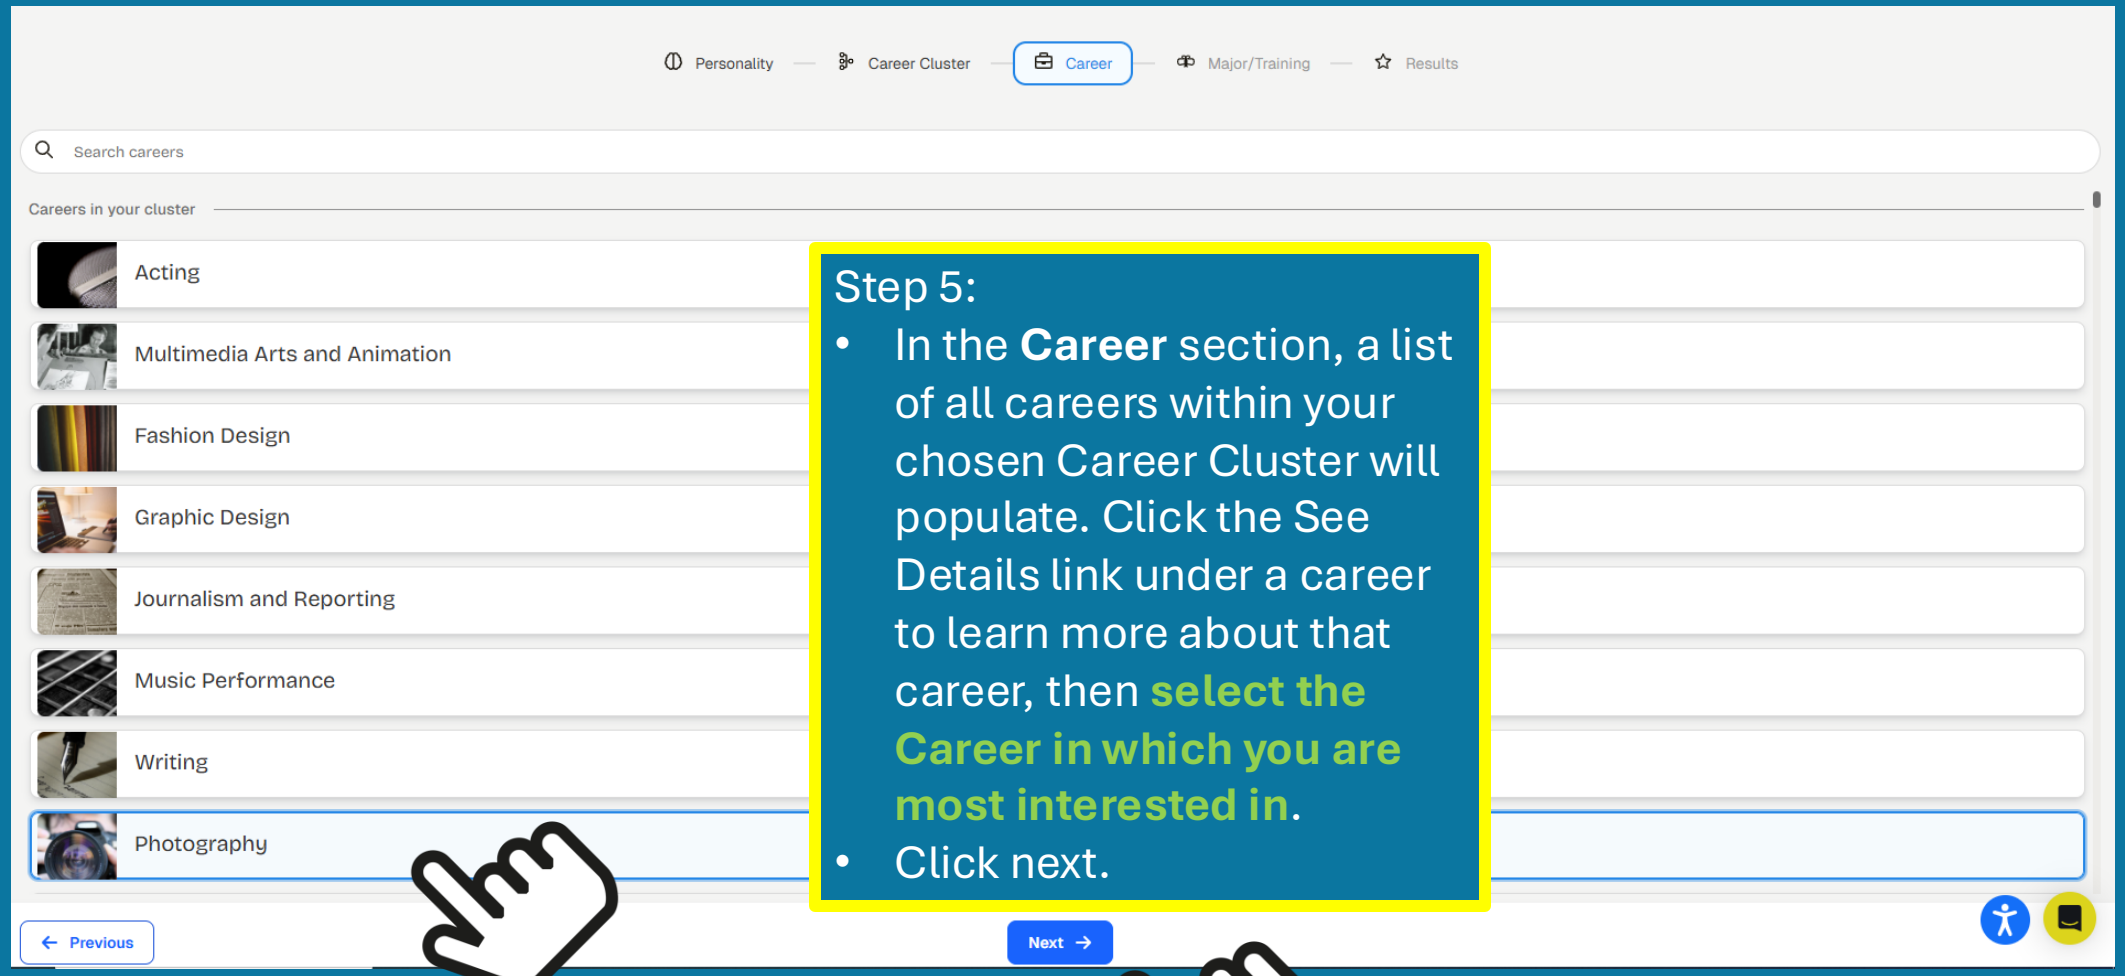

Step 4:

- In the **Career Cluster** section, you will see a list of your top career cluster matches based on your assessment results.

- Scroll down to view all other clusters. Select a career cluster in which you are most interested.

Step 5:

- In the **Career** section, a list of all careers within your chosen Career Cluster will populate. Click the See Details link under a career to learn more about that career, then **select the Career in which you are most interested in**.
- Click next.
