

# A Year of Impact. A Future of Possibility. Your Support Makes it Happen.

## Impacting Every Learner, Every Day

KSDF is behind so many of the experiences, programs, and opportunities that make the Kirkwood School District (KSD) exceptional. When you give to KSDF, you support the students, teachers, and staff of KSD by fostering a richer, more impactful teaching and learning experience. More giving means more opportunities for KSDF to say yes to grants, sponsorships and all requests throughout the year.

Your impact this year:

- \$18,000 in Enrichment Grants for innovative classroom learning
- \$32,000 in Back-to-School Grants for principals to kickstart a strong year
- \$158,000 in Named Award Scholarships for outstanding students
- \$75,000 contributed to the maintenance of The Walker Natatorium
- Sponsorship of community events like Unified Night Lights and STEAMfest

KSDF is a nonprofit organization that helps transform ideas into opportunities. Tax-deductible gifts to the KSDF Annual Fund fuel our mission. From classroom tools to transformative experiences, KSDF ensures that every child has access to meaningful experiences to learn, discover, thrive, and reach their potential.

Join the KSDF community in supporting our next generation of Pioneer thinkers, doers, and problem solvers. KSDF is the only entity that reaches all nine of the KSD schools.

When you give to KSDF, you support everything  
that makes KSD exceptional.

*Every gift - No matter the size - Creates a lasting impact.*
