

# PAY IT FORWARD

## WHAT IS PAY IT FORWARD?

The program that allows Kirkwood School District employees to donate a portion of their paycheck directly to the Kirkwood School District Foundation. All donations are tax deductible.

## WHY PAY IT FORWARD?

Every dollar you donate goes directly back into your school and into your classroom to benefit all of our Pioneers. KSDF is the only organization that aids all nine schools in the Kirkwood School District.

If every KSD employee **donated just \$1** from each paycheck to KSDF that would be \$1400 more a month we can use towards grants for YOUR classroom.

For **less than \$25 a year** you can make a personal difference in the lives of all KSD Students. You will have the option to join the Pay It Forward program during your upcoming open enrollment period and KSDF hopes you will take advantage of this opportunity to give back.

## WHAT IS THE KIRKWOOD SCHOOL DISTRICT FOUNDATION?

We are a group of parents, alumni, and friends working to build a stronger community by raising private funds to enrich the educational experiences for all students in the Kirkwood School District.

## KSDF BY THE NUMBERS 2024-2025

\$32,000 donated in Back to School Grants

\$18,000 worth of Enrichment Grants funded

\$10,000 in KSD Event Sponsorships

## FROM OUR PRESIDENT

At KSDF, our teachers and staff are at the heart of everything we do. We see how hard you work each day and we want to do everything we can to give that same support back to you. We know it may feel unusual for us to ask you for help, but we hope you can see how even a few dollars a month can make a lasting difference. Every time I step into a classroom, I'm inspired by the creativity, dedication, and love you pour into our students. Please know how deeply grateful we are for any contribution you're able to make. Every single dollar adds up and together, those dollars allow us to grant more wishes, spark more ideas, and continue building the kind of learning community our Pioneers deserve.
