How We Learn to Decode Words (A Reading Timeline)

Grade Level	Age	Skill Focus	Key Decoding Skills
Kindergarten (K)	5-6	The Alphabet and Sounds	Learns the names and main sounds for all letters. Can put sounds together (blend) to read simple words like c-a-t to make cat.
Grade 1	6-7	Short Words and Basic Rules	Reads simple words fast and easily. Learns to read words with two letters that make one sound (digraphs), like sh or th. Reads words with the silent "e" rule, like make or time.

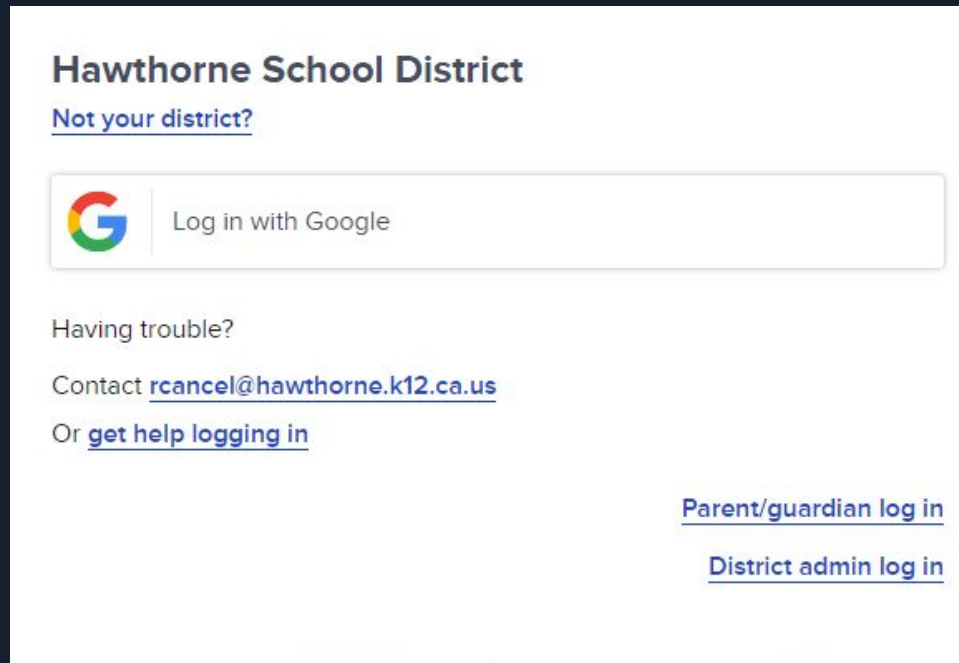

aligns with research from Science of Reading

Grade 2	7-8	Vowel Rules and Longer Words	Learns about vowel teams where two vowels work together (like oa in boat or ee in tree). Starts to break longer words into chunks (syllables) to read them, like bas-ket.
Grade 3	8-9	Word Parts (Prefixes and Suffixes)	Uses chunks added to the beginning (prefixes like un-) or end (suffixes like -ly) of a word to read it and know what it means (e.g., un-happy). Reads most words quickly and easily.
Grade 4-5	9-11	Big Words and School Words	Uses all the rules to break down very long words. Learns about special Latin and Greek word parts to figure out the meaning of hard school words (e.g., bio-logy, tele-scope). Now, reading is mostly for learning new things!

To access the sound spelling videos where you can hear and see how the sound is said, you will need to choose "Log into Google " after you click on the picture from the following slides. Once you log into Google, you will need to use your child's account which is their school email address.

Para acceder a los videos de ortografía de sonido donde puede escuchar y ver cómo se dice el sonido, deberá elegir "Iniciar sesión en Google" después de hacer clic en la imagen de las siguientes diapositivas. Una vez que inicie sesión en Google, deberá usar la cuenta de su hijo, que es la dirección de correo electrónico de su escuela.
