Future Ready: Highlighting Career Exploration at BVHS

Buckeye Valley High School recently hosted its annual Career Day. The event was designed to be interactive and student-driven, allowing each student to self-select three different presentation sessions based on their specific interests. Students then traveled throughout the building to engage directly with industry experts and alumni, who generously shared their knowledge and experiences.

The success of Career Day is a direct result of the incredible support from our local business community. We were proud to welcome professionals from over 20 Central Ohio businesses and organizations. These dedicated partners volunteered their time

to engage with our students and discuss their career journeys, daily responsibilities, and the skills needed to succeed in their fields.

We extend our sincere gratitude to the following businesses and organizations for volunteering their time and expertise, who helped expose our students to the multiple pathways available, making our Career Day event a success:

- Benchmark Woodworks Company
- City of Delaware
- CrossCountry Mortgage
- Delaware County OhioMeansJobs
- Delaware County Sheriff's Office
- Dublin Building Systems-Builders Exchange of Central Ohio
- Elford, Inc.
- Heritage Cooperative
- Honda
- Marion Technical College
- Ohio High School Athletic Association
- Ohio Living Sarah Moore
- Oreste Realty
- OSU WMC
- Otterbein University
- Oxford Automotive
- The Ohio State University Department of Ophthalmology
- Vaughn Industries

BVHS is dedicated to seeking out continuous, hands-on opportunities that engage students and lead them toward informed future career decisions. If you are interested in sharing your knowledge or becoming a partner in this vital "career adventure," please contact Jackie Noel via email at jnoel@mybvhs.org
