5th Grade Update

We had a positive week in 5th grade! Students worked hard and showed great focus as they prepared for both the science test and the history quiz. We were proud of the effort they put into studying and the confidence they brought into each assessment

Along with assessments, students stretched their creativity by writing from a picture prompt, and we loved seeing the imagination and detail in their stories. We also continued diving into *The Secret Garden*, and the class is already engaging deeply with the characters and themes. It was a full, productive week, and we're excited to keep building on this momentum next week!

Class parties will be from 11:30-12:00 on December 19th. Parents are welcome to attend the party and enjoy the festivities. We will also be caroling at the assembly that Friday.

Siblings at School events

For the safety of all students and to help us keep the focus on our classroom activities, we kindly ask that siblings not attend school events such as class parties. While we love having families involved, these events are planned specifically for our students, and additional children can create safety concerns and make it harder to maintain a structured environment. Thank you!
