## YOUR COLLEGE LAUNCHPAD

WE BELIEVE ACCELERATED MINDS DESERVE ACCELERATED OPPORTUNITIES!

### **EARN COLLEGE CREDITS FOR FREE!**

Most Odyssey students leave high school with tons of college credit or even a 2-year degree. That means less college time later and more money saved.

# 01

### **SMALL SCHOOL VIBES**

Classes are small (about 17 students per teacher) so teachers actually know you, challenge you, and help you succeed.

# 02

### **CHOOSE YOUR OWN PATH**

Whether you're planning on a 4-year university, jumping into a career, or exploring tech/trade programs, Odyssey helps you find your perfect fit.

### **SUPPORT ALONG EVERY STEP**

Engaging teachers, caring counselors, and friendly staff are here to help with classes, college planning, and career goals.
