Ryan Rally brought us a major win by bringing in \$38677 with us keeping \$35000 after fees. We had this success due to all the wonderful volunteers we had and the students and teacher putting in the time and efforts to get those donations.

We are looking for volunteers for Novembers fun night

Float for Homecoming will be worked on by kids in library and then assembled on Friday morning. Working on getting a possible speaker to play sound track from Snow White!!!
