This class is very popular among students.</p> <p>The former AP Environmental Science Book was recently removed from the College Board approved textbook list; therefore the science team is proposing a new student textbook.</p> <p>IB Business Management is a new course proposed for both full DP and a la carte students, who take IB and AP courses. The teacher did attend IB training and is planning the course.</p> <p>The Unified PE is another wonderful addition to the District's unified program. This course will fulfill the MMC requirement for PE while also helping students build relationships. ASD and</p>

		other students with disabilities will have the access to learn alongside their peers.
