Parent Teacher Conferences

PARENT-TEACHER CONFERENCES

REMINDERS

We kindly ask all parents/guardians to adhere to the following reminders to keep conferences running smoothly.

- Please enter through Door #1.
- Please understand that the teachers are on a very tight schedule, with one conference scheduled every ten minutes. For that reason, they cannot accommodate families who might arrive later than their scheduled appointment time.
- Teachers will need to be very strict about the 10 minute time limit to be respectful of all families and their time. They will have to end the meeting at the allotted 10 minutes. If additional time is needed, you may follow up with the teacher to arrange a time to continue talking.
- If you are unable to attend your scheduled conference, please let your child's teacher know as soon as possible.
