Principal Corner

Thanks to Mrs. Sordillo and our HEPG, students had the exciting opportunity to experience the Fourth Wall Musical Ensemble's performance of Fruit Flies Like a Banana this week. Few ensembles earn top marks for their "deft choreography," but this was no ordinary group. Part chamber music ensemble, part devised theatre company, part modern dance troupe, and part circus act, The Fourth Wall blended music, theatre, dance, and acrobatics into a truly unique hybrid art form. This trio of musicians created new interdisciplinary works and reinterpreted classic repertoires - performed in an order chosen by JFK students - to make the music literally leap off the stage!
