PUPPY MILL FACT #34:

Puppy mills confine dogs in cages for their entire life

*Nearly **100%** of pet stores that carry puppies get them from puppy mills*

Public Service Announcement

A cartoon illustration depicting a workplace harassment scenario. A woman with brown hair, wearing a purple top, sits at a desk with a laptop and an orange mug. She has a distressed expression. A man with a beard and a blue sweater stands behind her, smiling. A thought bubble from the man says, "Maybe he's just being nice?". The background shows a simple office setting with a green wall and a small table with a yellow vase.
