Lisa Pacheco
Training Specialist
East Cambridge Savings Bank
344 Cambridge Street
Cambridge, MA 02141

Dear Ms. Pacheco,

I am interested in applying for a summer job at East Cambridge Savings Bank. As it would be my first opportunity for a design job and it would allow me to show my professionalism and skills in the working world. For the past two years in the Creative Design Program at CRLS I have been honing my skill as a designer by using software such as Adobe Illustrator, Photoshop, and InDesign for a design position such as the one that you are offering in the East Cambridge Savings Bank Marketing and Communication Department.

I am a very responsible worker that meets deadlines on time, and I am also a very good listener, which helps me understand what the client is looking for. As a two-year student in the Creative Design Program I am comfortable working with clients and their requests to the best of my ability. I am also very open to giving and receiving critiques and feedback. Although, I work best on my own, I am always eager to join in team projects and give my opinion.

I am a kind, caring, and easy going individual. I always try hard to work to the best of my ability with design not because it is my job but because I love it. Thank you for your consideration. I look forward to meeting you.

Sincerely,

Julian Warburton
