Fourth graders George Beard and Harold Hutchins are best friends and the troublemakers of Jerome Horowitz Elementary School. Aside from pulling numerous pranks, the two sell comic books on the school playground featuring superheroes they created, the newest being "The Amazing Captain Underpants". One day, they have their latest prank, George and Harold pull a series of practical jokes at the school's football game. They put pepper and flowers in the cheerleaders' pom-poms, causing them to have a short sneezing fit. Harold and George also put bubble bath in the marching band's instruments, fill up the game ball with helium, and replace the players' ointment with itching cream, and so on and so forth. The next day, their mean-spirited, child-hating principal Mr. Krupp, who especially loathes them for their pranks, reveal to them that he has video footage of them up all of preparing their pranks. Now that he finally has proof to use against them after being forced to enduring their antics for countless years, Mr. Krupp blackmails George and Harold for their actions, threatening to give the video to the football team unless they obey.
