

STEM Kits

Name: _____

What was the title of your STEM kit?

Create a comic strip that shows what you did with your STEM kit.
Use all 3 blocks to show a beginning, middle, and end.

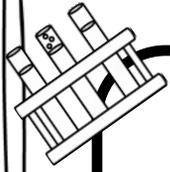

--	--	--

What if someone else wanted to do what you did with your STEM kit? Write between 3-5 steps to tell them what to do.

1. _____
2. _____
3. _____
4. _____
5. _____

Draw one thing you learned or found interesting or surprising while doing your STEM kit.

Write 2 or 3 sentences to describe what you drew.

A large, empty rounded rectangular box intended for the student to write their description.

What are some other ways that you could use the materials from your STEM kit in your home?

A large, empty rounded rectangular box intended for the student to list other uses for the materials.
