## WHAT SETS US APART

- The district added a **film program for the 2025-2026 school year.**
- East Cleveland City Schools features **Chambers Community Empowerment Center**, aimed at serving families and community members by partnering with them to identify and reach their personal and professional goals while providing tools and resources to support the academic and career goals of our youth.
- The district provides **12 Career & Technical Education (CTE) programs**, from Cosmetology to Culinary Arts to Automotive Technology to Sports Medicine, with more on the way!
- East Cleveland Schools continuously seeks grants to expand learning opportunities. One recent grant made it possible to add a **Programming and Software Development pathway** at Shaw High School and a coding pathway at W.H. Kirk Middle School to help students prepare for high school courses.
- **We are first class in safety and security**, often a trusted partner for other local school safety programs.
