in program participation. The Superintendent or designee shall consult, in a meaningful and timely manner, with appropriate private school officials during the design and development of the district's Title I programs. Such consultation shall occur before the district makes any decision that affects the opportunities of eligible private school students to participate in Title I programs and shall include a discussion of: (20 USC 6320, 7881; 34 CFR 200.63)

1. How the needs of private school students will be identified
2. What services will be offered
3. How, where, and by whom the services will be provided
4. How the services will be academically assessed and how assessment results will be used to improve those services
5. The size and scope of the equitable services to be provided to private school students and the proportion of funds that is allocated for such services
6. The method or sources of data that are used to determine the number of students from low-income families in participating school attendance areas who attend private schools
7. How and when the district will make decisions about the delivery of service to such students, including a thorough consideration and analysis of the views of private school officials on the provision of services through a third-party provider
8. How, if the district disagrees with the views of private school officials on the provision of services through a third-party provider, the district will provide to private school officials a written analysis of the reasons that the district has chosen not to use a contractor

Meetings between district and private school officials shall continue throughout implementation and assessment of services. (20 USC 6320) The Superintendent or designee shall maintain, and shall provide to the California Department of Education upon request, a written affirmation signed by officials of each participating private school that consultation has occurred. (20 USC 6320) If the private school officials do not provide such affirmation within a reasonable period of time, the Superintendent or designee shall maintain records of the consultation or the offer of consultation. (cf. 3580 - District Records)

The Superintendent or designee also shall maintain records documenting that:

Instruction**TRANSITIONAL KINDERGARTEN**

The Governing Board desires to offer a high-quality transitional kindergarten (TK) program for eligible children who do not yet meet the minimum age criterion for kindergarten. The program shall assist TK children in developing the academic, social, and emotional skills they need to succeed in kindergarten and beyond.

The district's TK program shall be the first year of a two-year kindergarten program. (Education Code 48000)

The Board encourages ongoing collaboration among district preschool staff, other preschool providers, elementary teachers, administrators, and parents/guardians in program development, implementation, and evaluation.

(cf. 1220 - Citizen Advisory Committees)

(cf. 6020 - Parent Involvement)

Eligibility

The district's TK program shall admit children whose fifth birthday is from September 2 through December 2. (Education Code 48000)

Parents/guardians of eligible children shall be notified of the availability of the TK program and the age, residency, immunization, and any other enrollment requirements. Enrollment in the TK program shall be voluntary.

(cf. 5111 - Admission)

(cf. 5111.1 - District Residency)

(cf. 5141.22 - Infectious Diseases)

(cf. 5141.3 - Health Examinations)

(cf. 5141.31 - Immunizations)

(cf. 5141.32 - Health Screening for School Entry))

If the district chooses to allow kindergarten-eligible children to enroll in the TK program, CDE recommends that the district establish criteria to determine selection requirements. The parent/guardian of a kindergarten-eligible child who is enrolled in TK must, at the end of the year, sign a Kindergarten Continuance Form verifying that he/she agrees to have the child continue in kindergarten the following year;

Upon request of a child's parents/guardians, the district may, on a case-by-case basis after the Superintendent or designee determines that it is in the child's best interest, admit into the district's TK program a child whose fifth birthday is on or before September 1 and who is therefore eligible for kindergarten.

Pursuant to Education Code 48000, as amended by AB 104 (Ch. 13, Statutes of 2015), the district may, at its discretion, determine whether to allow admittance of children whose fifth birthday is after December 2. Such students may be admitted at any time during the school year, including at the beginning of the year

The district may, at any time during the school year, admit into the TK program a child whose fifth birthday is after December 2 of that same school year, provided that the Superintendent or designee recommends that enrollment in a TK program is in the child's best interest. Prior to such enrollment, the child's parents/guardians shall be provided information regarding the advantages and disadvantages and any other explanatory information about the effect of early admittance. (Education Code 48000)

Curriculum and Instruction

The district's TK program shall be based on a modified kindergarten curriculum that is age and developmentally appropriate. (Education Code 48000)

(cf. 6141 - Curriculum Development and Evaluation)
(cf. 6161.1 - Selection and Evaluation of Instructional Materials)

The program shall be aligned with the preschool learning foundations and preschool curriculum frameworks developed by the California Department of Education. It shall be designed to facilitate students' development in essential skills related to language and literacy, mathematics, physical development, health, visual and performing arts, science, history-social science, English language development, and social-emotional development.

(cf. 5148.3 - Preschool/Early Childhood Education)
(cf. 6011 - Academic Standards)
(cf. 6174 - Education for English Language Learners)

Education Code 37202 requires that all elementary schools in the district be maintained for an equal length of time during the school year. In its "Transitional Kindergarten FAQs," the CDE has interpreted this to mean that the district's annual instructional minutes offered to TK students should be the same as the number of instructional minutes offered to kindergarten students, as reflected in its annual audit. Pursuant to Education Code 46111 and 46117, at the kindergarten level the minimum school day is three hours (180 minutes) and the maximum school day is four hours (240 minutes), unless the district has adopted an extended-day kindergarten pursuant to Education Code 8973. However, pursuant to Education Code 46119, if the district has fewer than 40 kindergarten students, it may apply to the Superintendent of Public Instruction to maintain two kindergarten classes of 150 minutes each, taught on the same day by the same teacher.

The Board shall fix the length of the school day in the district's TK program, which shall be at least three hours but no more than four hours.

(cf. 6111 - School Calendar)
(cf. 6112 - School Day)

TK students may be placed in the same classrooms as kindergarten students when necessary, provided that the instructional program is differentiated to meet student needs.

Staffing

The Superintendent or designee shall ensure that teachers assigned to teach in TK classes possess a teaching credential or permit from the Commission on Teacher Credentialing (CTC) that authorizes such instruction.

(cf. 4112.2 - Certification)

A credentialed teacher who is first assigned to a TK class after July 1, 2015, shall, by August 1, 2020, have at least 24 units in early childhood education and/or child development, comparable experience in a preschool setting, and/or a child development teacher permit issued by the CTC. (Education Code 48000)

The Superintendent or designee may provide professional development as needed to ensure that TK teachers are knowledgeable about the standards and effective instructional methods for teaching young children. (cf. 4131 - Staff Development)

Continuation to Kindergarten

Students who complete the TK program shall be eligible to continue in kindergarten the following school year. Parents/guardians of such students shall not be required to submit a signed Kindergarten Continuance Form for kindergarten attendance.

However, whenever children who would otherwise be age-eligible for kindergarten are enrolled in TK, the Superintendent or designee shall obtain a Kindergarten Continuance Form signed by the parent/guardian near the end of the TK year consenting to the child's enrollment in kindergarten the following year.

A student shall not attend more than two years in a combination of TK and kindergarten. (Education Code 46300) (cf. 5123 - Promotion/Acceleration/Retention)

Assessment

The Superintendent or designee may develop or identify appropriate formal and/or informal assessments of TK students' development and progress. He/she shall monitor and regularly report to the Board regarding program implementation and the progress of students in meeting related academic standards. EDUCATION FOR HOMELESS CHILDREN

Definitions

Homeless students means students who lack a fixed, regular, and adequate nighttime residence and includes: (Education Code 48852.7; 42 USC 11434a)

1. **Students** who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; or are abandoned in hospitals

(cf. 6173.1 - Education for Foster Youth)

2. **Students** who have a primary nighttime residence that is a public or private place not designed for or ordinarily used as regular sleeping accommodations for human beings
3. **Students** who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings
4. Migratory children who qualify as homeless because they are living in conditions described in items #1-3 above

Unaccompanied youth **includes** youth who are not in the physical custody of a parent or guardian. (20 USC 11434a)

***School of origin* means the school that the homeless student attended when permanently housed or the school in which he/she was last enrolled, including a preschool. If the school the homeless student attended when permanently housed is different from the school in which he/she was last enrolled, or if there is some other school that he/she attended within the preceding 15 months and with which he/she is connected, the district liaison shall determine, in consultation with and with the agreement of the homeless student and the person holding the right to make educational decisions for the student, and in the best interests of the homeless student, which school shall be deemed the school of origin. (Education Code 48852.7; 42 USC 11432)**

***Best interest* means that, in making educational and school placement decisions for a homeless student, consideration is given to, among other factors, educational stability, the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress, and the student's access to academic resources, services, and extracurricular and enrichment activities that are available to all district students. Enrollment

The district shall make placement decisions for homeless students based on the student's best interest. (42 USC 11432)

In determining the best interest of the student, the district shall consider student-centered factors related to the student's best interest, including factors related to the impact of mobility on achievement, education, health, and safety, giving priority to the request of the student's parent/guardian or, in the case of an unaccompanied youth, the youth. (42 USC 11432)

Such factors may include, but are not limited to, the age of the student, the distance of the commute and the impact it may have on the student's education, personal safety issues, the student's need for special instruction, the length of anticipated stay in the temporary shelter or other temporary location, likely area of future housing, school placement of siblings, and the time remaining in the school year.

However, placement decisions shall not be based on whether a homeless student lives with his/her homeless parent/guardian or has been temporarily placed elsewhere. (42 USC 11432)

In the case of an unaccompanied youth, the liaison shall assist in placement or enrollment decisions, **give priority** to the views of the student, and provide notice to the student of his/her appeal rights. (42 USC 11432)

In determining a student's best interest, a homeless student shall, to the extent feasible, be placed in his/her school of origin, unless the student's parent/guardian or the unaccompanied youth requests otherwise. (**Education Code 48852.7**; 42 USC 11432)

Once a placement decision has been made, the principal or designee shall immediately enroll the student in the school of choice. **The student shall be enrolled even if he/she:** (**Education Code 48852.7**; 42 USC 11432)

The district liaison shall assist the parent/guardian, **or the student if he/she is an unaccompanied youth**, in obtaining the necessary immunizations, **screenings**, or records for the student. (42 USC 11432)

Resolving Enrollment Disputes

If a dispute arises over student eligibility, school selection, or enrollment in a particular school, the matter shall be referred to the district liaison, who shall carry out the dispute resolution process as expeditiously as possible. (42 USC 11432)

language that the parent/guardian or student can understand.

The district liaison may use an informal process as an alternative to formal dispute resolution procedures, provided that the parents/guardians or unaccompanied youth have access to the more formal process if informal resolution is not successful in resolving the matter.

In working with a student's parents/guardians or unaccompanied youth to resolve an enrollment dispute, the district liaison shall:

- 1. Inform them that they may provide written and/or oral documentation to support their position**
- 2. Inform them that they may seek the assistance of social services, advocates, and/or service providers in having the dispute resolved**
- 3. Provide them a simple form that they may use and turn in to the school to initiate the dispute resolution process**
- 4. Provide them a copy of the dispute form they submit for their records**
- 5. Provide them the outcome of the dispute for their records**

If a parent/guardian **or unaccompanied youth** disagrees with the liaison's enrollment decision, he/she may appeal the decision to the Superintendent. The Superintendent shall make a determination within five working days.

If the parent/guardian **chooses** to appeal the district's placement decision, the district liaison shall forward all written documentation and related paperwork to the homeless liaison at the county office of education.

Pending final resolution of the dispute, including all available appeals, the student shall be immediately enrolled in the school in which enrollment is sought and shall be allowed to attend classes and participate fully in school activities. (42 USC 11432, 11434a)

Transportation

The district shall provide transportation for a homeless student to and from his/her school of origin when the student is residing within the district and the parent/guardian, or the district liaison in the case of an unaccompanied youth, requests that such transportation be provided. If the student moves outside of district boundaries, but continues to attend his/her school of origin within this district, the Superintendent or designee shall consult

(cf. 3250 - Transportation Fees)

(cf. 3541 - Transportation Routes and Services)

The district shall not be obligated to provide transportation to students who continue attending their school of origin after they cease to be homeless, unless the formerly homeless student has an individualized education program that includes transportation as a necessary related service for the student. (Education Code 48852.7)

Eligibility for Extracurricular Activities

A homeless student who enrolls in any district school shall be immediately deemed to meet all residency requirements for participation in interscholastic sports or other extracurricular activities. (Education Code 48850)

Identification and Assessment

The Superintendent or designee shall maintain procedures which provide for the accurate identification of English learners and an assessment of their proficiency and needs in the areas of listening, speaking, reading, and writing in English.

Once identified as an English learner, a student shall be annually assessed for language proficiency until he/she is reclassified based on criteria specified in the accompanying administrative regulation.

English learners' academic achievement in English language arts, mathematics, science, and any additional subject required by law shall be assessed using the California Assessment of Student Performance and Progress. As necessary, the test shall be administered with allowable testing variations in accordance with 5 CCR 853.5 and 853.7. English learners who are in their first 12 months of attending a school in the United States shall be exempted from taking the English language arts assessment to the extent allowed by federal law. (Education Code 60603, 60640; 5 CCR 853.5, 853.7)

(cf. 6152.51 - State Academic Achievement Tests)

Placement of English Learners

Students who are English learners shall be educated through "structured English immersion" (also known as "sheltered English immersion"), as defined in law and the accompanying administrative regulation, for a temporary transition period not normally intended to exceed one year. Nearly all of the classroom instruction in the district's structured English immersion program shall be in English, but with the curriculum and presentation designed for students who are learning the language. (Education Code 305-306)

"Nearly all," for the purpose of determining the amount of instruction to be conducted in English, means that all classroom instruction shall be conducted in English except for clarification, explanation, and support as needed.

When an English learner has acquired a reasonable level of English proficiency as measured by any of the state-designated assessments approved by the California Department of Education, any district assessments, and/or other criteria adopted by the Board, he/she shall be transferred from a structured English immersion classroom to an English language mainstream classroom in which the instruction is overwhelmingly in English. (Education Code 305-306; 5 CCR 11301)

(cf. 6162.5 - Student Assessment)

EDUCATION FOR ENGLISH LANGUAGE LEARNERS (continued)

An English learner has acquired a "reasonable level of English proficiency" when he/she has achieved the following:

- State-approved English Learner proficiency assessment overall score of Early Advanced or Advanced AND Intermediate or higher on all skills areas tested (Listening, Speaking, Reading and Writing).
- Two ELA district assessments with proficient scores (Benchmark /Challenge), CAASPP SBAC overall ELA score (2,470 and above), or any other district approved assessment for reclassification.
- First letter to notify parents/guardians of their right and encourage them to participate in the reclassification process with the opportunity for a face-to-face meeting. Final letter to notify parents of reclassification.
- Satisfactory on the Teacher Evaluation form for Reading and Writing.
- Optional: Other district multiple measures

At any time during the school year, the parent/guardian of an English learner may have his/her child moved into an English language mainstream program. (5 CCR 11301)

Parental Exception Waivers

When allowed by law, the parent/guardian of an English learner may submit a request that his/her child be exempted from placement in a structured English immersion program and instead be placed in a class where he/she is taught English and other subjects through bilingual education techniques or other generally recognized educational methodologies permitted by law. (Education Code 310-311)

Each waiver request shall be considered on its individual merits with deference given to the parent/guardian's preference for student placement.

A waiver request shall be granted in accordance with law unless the principal and educational staff have determined that an alternative program would not be better suited to the student's overall educational development. (5 CCR 11309)

If the Superintendent or designee denies the waiver request, he/she shall provide a written justification to the parent/guardian describing the reasons for the denial. A parent/guardian may appeal the decision in writing to the Board. The Board may consider the matter at its next regular Board meeting. The Board may decide not to hear the appeal, in which case the Superintendent's decision shall be final. If the Board hears the appeal, the Superintendent shall send the Board's decision to the parent/guardian within seven working days.

EDUCATION FOR ENGLISH LANGUAGE LEARNERS (continued)

Program Evaluation

To evaluate the effectiveness of the district's educational program for English learners, the Superintendent or designee shall report to the Board, at least annually, regarding:

1. Progress of English learners towards proficiency in English
2. The number and percentage of English learners reclassified as fluent English proficient
3. The number and percentage of English learners who are or are at risk of being classified as long-term English learners in accordance with Education Code 313.1
4. The achievement of English learners on standards-based tests in core curricular areas
5. Progress toward any other goals for English learners identified in the district's LCAP
6. A comparison of current data with data from at least the previous year.

The Superintendent or designee also shall provide the Board with regular reports from any district or schoolwide English learner advisory committees.

EDUCATION FOR ENGLISH LANGUAGE LEARNERS

Definitions

English learner, also known as a limited English proficient student, means a student who does not speak English or whose native language is not English and who is not currently able to perform ordinary classroom work in English. (Education Code 306)

English language classroom means a classroom in which the language of instruction used by the teaching personnel is overwhelmingly the English language, and in which such teaching personnel possess a good knowledge of the English language. (Education Code 306)

English language mainstream classroom means a classroom in which the students either are native English language speakers or already have acquired reasonable fluency in English. (Education Code 306)

Structured English immersion (also known as "sheltered English immersion") means an English language acquisition process in which nearly all classroom instruction is in English but with the curriculum and presentation designed for students who are learning the language. (Education Code 306)

Bilingual education/native language instruction means a language acquisition process for students in which much or all instruction, textbooks, and teaching materials are in the student's native language. (Education Code 306)

The district offers three programs – Structured English Immersion (SEI), English Language Mainstream (ELM), and Alternative Programs (ALT).

- **Structured English Immersion (SEI):** Students who score at **less than reasonable fluency** are placed in an SEI program and are taught overwhelmingly in English. Some assistance may be provided in the primary language. Students are taught ELD and other core subjects by authorized teachers using district-adopted textbooks and supplementary materials. Instruction is based on ELD and grade-level content standards.
- **English Language Mainstream (ELM):** Students who score at **reasonable fluency** in English are placed in an ELM program. They are taught ELD and other core subjects by authorized teachers using district-adopted textbooks and supplementary materials. Instruction is based on ELD and grade-level content standards. Students receive any additional instruction needed for them to be reclassified as fluent English proficient.
- **Alternative Program (ALT):** Students with an approved “Parental Exception Waiver” are taught core subjects in their primary language. They receive instruction in ELD in English. Teachers must receive special training to work in such a program. They use district-adopted textbooks and supplementary instructional materials. Instruction is based

EDUCATION FOR ENGLISH LANGUAGE LEARNERS (continued)

- on ELD and grade-level content standards. Students receive any additional instruction needed for them to be reclassified as fluent English proficient.

Identification and Assessments

Upon enrollment in the district, each student's primary language shall be determined through use of a home language survey. (Education Code 52164.1; 5 CCR 11307)

Any student who is identified as having a primary language other than English as determined by the home language survey, and who has not previously been identified as an English learner by a California public school or for whom there is no record of results from an administration of an English language proficiency test, shall be assessed for English proficiency using the state's designated English language proficiency test. (Education Code 313, 52164.1; 5 CCR 11511)

Each year after a student is identified as an English learner and until he/she is redesignated as English proficient, the summative assessment shall be administered to the student during a four-month period after January 1 as determined by the California Department of Education. (Education Code 313)

The state assessment shall be administered in accordance with test publisher instructions and 5 CCR 11511-11516.7. Variations and accommodations in test administration may be provided pursuant to 5 CCR 11516-11516.7. Any student with a disability shall be allowed to take the assessment with those accommodations for testing that the student has regularly used during instruction and classroom assessment as delineated in the student's individualized education program (IEP) or Section 504 plan that are appropriate and necessary to address the student's individual needs. If he/she is unable to participate in the assessment or a portion of the assessment with such accommodations, he/she shall be administered an alternate assessment for English language proficiency as set forth in his/her IEP. (5 CCR 11516-11516.7)

(cf. 6152.51 - State Academic Achievement Tests)

(cf. 6159 - Individualized Education Program)

(cf. 6164.6 - Identification and Education Under Section 504)

Parental Notifications

The Superintendent or designee shall provide the following written notifications to parents/guardians of English learners:

1. **Assessment Notification:** The district shall notify parents/guardians of their child's results on the state's English language proficiency assessment within 30 calendar days following receipt of the results from the test contractor. (Education Code 52164.1; 5 CCR 11511.5)

EDUCATION FOR ENGLISH LANGUAGE LEARNERS (continued)

2. Placement Notification: At the beginning of each school year, parents/guardians shall be informed of the placement of their child in a structured English immersion program and shall be notified of an opportunity to apply for a parental exception waiver. (Education Code 310; 5 CCR 11309)

3. Title III Notifications: Each parent/guardian of a student participating in, or identified for participation in, a language instruction program supported by federal Title III funds shall receive notification of the assessment of his/her child's English proficiency. Such notice shall be provided not later than 30 calendar days after the beginning of the school year or, if the student is identified for program participation during the school year, within two weeks of the student's placement in the program. The notice shall include all of the following: (Education Code 440; 20 USC 7012)
 - a. The reason for the student's classification as an English learner
 - b. The level of English proficiency, how the level was assessed, and the status of the student's academic achievement
 - c. A description of the program for English language development instruction, including a description of all of the following:

 - (2) The manner in which the program will help the student develop his/her English proficiency and meet age-appropriate academic standards
 - (3) The specific exit requirements for the program, the expected rate of transition from the program into classes not tailored for English learners, and the expected rate of graduation from secondary school if applicable
 - (4) Where the student has been identified for special education, the manner in which the program meets the requirements of the student's IEP
 - d. Information regarding a parent/guardian's option to decline to allow the student to be enrolled in the program or to choose to allow the student to be enrolled in an alternative program
 - e. Information designed to assist a parent/guardian in selecting among available programs, if more than one program is offered

EDUCATION FOR ENGLISH LANGUAGE LEARNERS (continued)

4. Annual Measurable Objectives Notification: If the district fails to make progress on the annual measurable achievement objectives for English learners established pursuant to 20 USC 6842, the Superintendent or designee shall, within 30 days after such failure occurs, send a notification regarding such failure to the parents/guardians of each student identified for participation in a language instruction educational program supported by Title III funds. (20 USC 7012)

Parental Exception Waivers

A parent/guardian may, by personally visiting the school, request that the district waive the requirements pertaining to the placement of his/her child in a structured English immersion program if one of the following circumstances exists: (Education Code 310-311)

1. The student already possesses sufficient English language skills, as measured by standardized tests of English vocabulary comprehension, reading, and writing, in which the student scores at or above the state average for his/her grade level or at or above the fifth-grade average, whichever is lower.
2. The student is age 10 years or older, and it is the informed belief of the principal and educational staff that an alternate course of study would be better suited to the student's rapid acquisition of basic English skills.
3. The student already has been placed, for a period of not less than 30 calendar days during that school year, in an English language classroom and it is subsequently the informed belief of the principal and educational staff that the student has special physical, emotional, psychological, or educational needs and that an alternate course of educational study would be better suited to the student's overall educational development.

Upon request for a waiver, the Superintendent or designee shall provide parents/guardians with a full written description and, upon request, a spoken description of the intent and content of the structured English immersion program, any alternative courses of study, all educational opportunities offered by the district and available to the student, and the educational materials to be used in the different educational program choices. For a request for waiver pursuant to item #3 above, the Superintendent or designee shall notify the parent/guardian that the student must be placed for a period of not less than 30 calendar days in an English language classroom and that the waiver must be approved by the Superintendent pursuant to any guidelines established by the Governing Board. (Education Code 310, 311; 5 CCR 11309)

The principal and educational staff may recommend a waiver to a parent/guardian pursuant to item #2 or #3 above. Parents/guardians shall be informed in writing of any recommendation for an alternative program made by the principal and staff and shall be given notice of their right to refuse to accept the recommendation. The notice shall include a full description of the

EDUCATION FOR ENGLISH LANGUAGE LEARNERS (continued)

recommended alternative program and the educational materials to be used for the alternative program as well as a description of all other programs available to the student. If the parent/guardian elects to request the alternative program recommended by the principal and educational staff, the parent/guardian shall comply with district procedures and requirements otherwise applicable to a parental exception waiver, including Education Code 310. (Education Code 311; 5 CCR 11309)

When evaluating waiver requests pursuant to item #1 above and other waiver requests for those students for whom standardized assessment data are not available, other equivalent assessment measures may be used. These equivalent measures may include district standards and assessment and teacher evaluations of such students.

Parental exception waivers pursuant to item #2 above shall be granted if it is the informed belief of the principal and educational staff that an alternate course of educational study would be better suited to the student's rapid acquisition of basic English language skills. (Education Code 311)

Parental exception waivers pursuant to item #3 above shall be granted by the Superintendent if it is the informed belief of the principal and educational staff that, due to the student's special physical, emotional, psychological, or educational needs, an alternate course of educational study would be better suited to the student's overall educational development. (Education Code 311)

All parental exception waivers shall be acted upon within 20 instructional days of submission to the principal. However, parental waiver requests pursuant to item #3 above shall not be acted upon during the 30-day placement in an English language classroom. Such waivers shall be acted upon no later than 10 calendar days after the expiration of that 30-day English language classroom placement or within 20 instructional days of submission of the waiver to the principal, whichever is later. (5 CCR 11309)

Any individual school in which 20 or more students of a given grade level receive a waiver shall offer an alternative class where the students are taught English and other subjects through bilingual education techniques or other generally recognized educational methodologies permitted by law. Otherwise, the students shall be allowed to transfer to a public school in which such a class is offered. (Education Code 310)

In cases where a parental exception waiver pursuant to item #2 or #3 above is denied, the parent/guardian shall be informed in writing of the reason(s) for the denial and advised that he/she may appeal the decision to the Board if the Board authorizes such an appeal, or to the

court. (5 CCR 11309)

Waiver requests shall be renewed annually by the parent/guardian. (Education Code 310)

Reclassification/Redesignation

1. Demonstrate English language proficiency comparable to that of the district's average native English language speakers
2. Recoup any academic deficits which may have been incurred in other areas of the core curriculum as a result of language barriers

English learners shall be reclassified as fluent English proficient when they are able to comprehend, speak, read, and write English well enough to receive instruction in an English language mainstream classroom and make academic progress at a level substantially equivalent to that of students of the same age or grade whose primary language is English and who are in the regular course of study. (Education Code 52164.6)

The following measures shall be used to determine whether an English learner shall be reclassified as fluent English proficient: (Education Code 313; 5 CCR 11303)

1. Assessment of English language proficiency using an objective assessment instrument, including, but not limited to, the state's English language proficiency assessment
2. Participation of the student's classroom teacher and any other certificated staff with direct responsibility for teaching or placement decisions related to the student
3. Parent/guardian opinion and consultation

The Superintendent or designee shall provide the parent/guardian with notice and a description of the reclassification process and of his/her opportunity to participate in the process and shall encourage his/her involvement in the process.

4. Student performance on an objective assessment of basic skills in English that shows whether the student is performing at or near grade level

The Superintendent or designee shall monitor the progress of reclassified students to ensure their correct classification and placement. (5 CCR 11304)

EDUCATION FOR ENGLISH LANGUAGE LEARNERS (continued)

The Superintendent or designee shall monitor students for at least two years following their reclassification to determine whether the student needs any additional academic support to ensure his/her language and academic success.

Advisory Committee

A parent/guardian advisory committee shall be established at the district level when there are more than 50 English learners in the district and at the school level when there are more than 20 English learners at the school. (cf. 5020 - Parent Rights and Responsibilities)

(cf. 6020 - Parent Involvement)

In order to assist the advisory committee in carrying out its responsibilities, the Superintendent or designee shall ensure that committee members receive appropriate training and materials. This training shall be planned in full consultation with the members. (5 CCR 11308)

EDUCATION FOR ENGLISH LANGUAGE LEARNERS (continued)

LCAP Advisory Committee

EDUCATION FOR ENGLISH LANGUAGE LEARNERS

Definitions

English learner, also known as a limited English proficient student, means a student who does not speak English or whose native language is not English and who is not currently able to perform ordinary classroom work in English. (Education Code 306)

English language classroom means a classroom in which the language of instruction used by the teaching personnel is overwhelmingly the English language, and in which such teaching personnel possess a good knowledge of the English language. (Education Code 306)

English language mainstream classroom means a classroom in which the students either are native English language speakers or already have acquired reasonable fluency in English. (Education Code 306)

Structured English immersion (also known as "sheltered English immersion") means an English language acquisition process in which nearly all classroom instruction is in English but with the curriculum and presentation designed for students who are learning the language. (Education Code 306)

Bilingual education/native language instruction means a language acquisition process for students in which much or all instruction, textbooks, and teaching materials are in the student's native language. (Education Code 306)

The district offers three programs – Structured English Immersion (SEI), English Language Mainstream (ELM), and Alternative Programs (ALT).

- **Structured English Immersion (SEI):** Students who score at **less than reasonable fluency** are placed in an SEI program and are taught overwhelmingly in English. Some assistance may be provided in the primary language. Students are taught ELD and other core subjects by authorized teachers using district-adopted textbooks and supplementary materials. Instruction is based on ELD and grade-level content standards.
- **English Language Mainstream (ELM):** Students who score at **reasonable fluency** in English are placed in an ELM program. They are taught ELD and other core subjects by authorized teachers using district-adopted textbooks and supplementary materials. Instruction is based on ELD and grade-level content standards. Students receive any additional instruction needed for them to be reclassified as fluent English proficient.

Alternative Program (ALT): Students with an approved "Parental Exception Waiver" are taught core subjects in their primary language. They receive instruction in ELD in English. Teachers must receive special training to work in such a program. They use district-adopted textbooks and supplementary instructional materials. Instruction is based on ELD and

grade-level content standards. Students receive any additional instruction needed for them to be reclassified as fluent English proficient.

Identification and Assessments

Upon enrollment in the district, each student's primary language shall be determined through use of a home language survey. (Education Code 52164.1; 5 CCR 11307)

Any student who is identified as having a primary language other than English as determined by the home language survey, and who has not previously been identified as an English learner by a California public school or for whom there is no record of results from an administration of an English language proficiency test, shall be assessed for English proficiency using the state's designated English language proficiency test. (Education Code 313, 52164.1; 5 CCR 11511)

Each year after a student is identified as an English learner and until he/she is redesignated as English proficient, the summative assessment shall be administered to the student during a four-month period after January 1 as determined by the California Department of Education. (Education Code 313)

The state assessment shall be administered in accordance with test publisher instructions and 5 CCR 11511-11516.7. Variations and accommodations in test administration may be provided pursuant to 5 CCR 11516-11516.7. Any student with a disability shall be allowed to take the assessment with those accommodations for testing that the student has regularly used during instruction and classroom assessment as delineated in the student's individualized education program (IEP) or Section 504 plan that are appropriate and necessary to address the student's individual needs. If he/she is unable to participate in the assessment or a portion of the assessment with such accommodations, he/she shall be administered an alternate assessment for English language proficiency as set forth in his/her IEP. (5 CCR 11516-11516.7)

(cf. 6152.51 - State Academic Achievement Tests)

(cf. 6159 - Individualized Education Program)

(cf. 6164.6 - Identification and Education Under Section 504)

The Superintendent or designee shall provide the following written notifications to parents/guardians of English learners:

EDUCATION FOR ENGLISH LANGUAGE LEARNERS (continued)

(cf. 5145.6 - Parental Notifications)

2. Placement Notification: At the beginning of each school year, parents/guardians shall be informed of the placement of their child in a structured English immersion program and shall be notified of an opportunity to apply for a parental exception waiver. (Education Code 310; 5 CCR 11309)
3. Title III Notifications: Each parent/guardian of a student participating in, or identified for participation in, a language instruction program supported by federal Title III funds shall receive notification of the assessment of his/her child's English proficiency. Such notice shall be provided not later than 30 calendar days after the beginning of the school year or, if the student is identified for program participation during the school year, within two weeks of the student's placement in the program. The notice shall include all of the following: (Education Code 440; 20 USC 7012)
 - a. The reason for the student's classification as an English learner
 - b. The level of English proficiency, how the level was assessed, and the status of the student's academic achievement
 - c. A description of the program for English language development instruction, including a description of all of the following:
 - (1) The manner in which the program will meet the educational strengths and needs of the student
 - (2) The manner in which the program will help the student develop his/her English proficiency and meet age-appropriate academic standards
 - (3) The specific exit requirements for the program, the expected rate of transition from the program into classes not tailored for English learners, and the expected rate of graduation from secondary school if applicable
 - (4) Where the student has been identified for special education, the manner in which the program meets the requirements of the student's IEP
 - d. Information regarding a parent/guardian's option to decline to allow the student to be enrolled in the program or to choose to allow the student to be enrolled in an alternative program
 - e. Information designed to assist a parent/guardian in selecting among available programs, if more than one program is offered

EDUCATION FOR ENGLISH LANGUAGE LEARNERS (continued)

4. Annual Measurable Objectives Notification: If the district fails to make progress on the annual measurable achievement objectives for English learners established pursuant to 20 USC 6842, the Superintendent or designee shall, within 30 days after such failure occurs, send a notification regarding such failure to the parents/guardians of each student identified for participation in a language instruction educational program supported by Title III funds. (20 USC 7012)

Parental Exception Waivers

A parent/guardian may, by personally visiting the school, request that the district waive the requirements pertaining to the placement of his/her child in a structured English immersion program if one of the following circumstances exists: (Education Code 310-311)

1. The student already possesses sufficient English language skills, as measured by standardized tests of English vocabulary comprehension, reading, and writing, in which the student scores at or above the state average for his/her grade level or at or above the fifth-grade average, whichever is lower.
2. The student is age 10 years or older, and it is the informed belief of the principal and educational staff that an alternate course of study would be better suited to the student's rapid acquisition of basic English skills.
3. The student already has been placed, for a period of not less than 30 calendar days during that school year, in an English language classroom and it is subsequently the informed belief of the principal and educational staff that the student has special physical, emotional, psychological, or educational needs and that an alternate course of educational study would be better suited to the student's overall educational development.

Upon request for a waiver, the Superintendent or designee shall provide parents/guardians with a full written description and, upon request, a spoken description of the intent and content of the structured English immersion program, any alternative courses of study, all educational opportunities offered by the district and available to the student, and the educational materials to be used in the different educational program choices. For a request for waiver pursuant to item #3 above, the Superintendent or designee shall notify the parent/guardian that the student must be placed for a period of not less than 30 calendar days in an English language classroom and that the waiver must be approved by the Superintendent pursuant to any guidelines established by the Governing Board. (Education Code 310, 311; 5 CCR 11309)

EDUCATION FOR ENGLISH LANGUAGE LEARNERS (continued)

The principal and educational staff may recommend a waiver to a parent/guardian pursuant to item #2 or #3 above. Parents/guardians shall be informed in writing of any recommendation for an alternative program made by the principal and staff and shall be given notice of their right to refuse to accept the recommendation. The notice shall include a full description of the recommended alternative program and the educational materials to be used for the alternative program as well as a description of all other programs available to the student. If the parent/guardian elects to request the alternative program recommended by the principal and educational staff, the parent/guardian shall comply with district procedures and requirements otherwise applicable to a parental exception waiver, including Education Code 310. (Education Code 311; 5 CCR 11309)

When evaluating waiver requests pursuant to item #1 above and other waiver requests for those students for whom standardized assessment data are not available, other equivalent assessment measures may be used. These equivalent measures may include district standards and assessment and teacher evaluations of such students.

Parental exception waivers pursuant to item #2 above shall be granted if it is the informed belief of the principal and educational staff that an alternate course of educational study would be better suited to the student's rapid acquisition of basic English language skills. (Education Code 311)

Parental exception waivers pursuant to item #3 above shall be granted by the Superintendent if it is the informed belief of the principal and educational staff that, due to the student's special physical, emotional, psychological, or educational needs, an alternate course of educational study would be better suited to the student's overall educational development. (Education Code 311)

All parental exception waivers shall be acted upon within 20 instructional days of submission to the principal. However, parental waiver requests pursuant to item #3 above shall not be acted upon during the 30-day placement in an English language classroom. Such waivers shall be acted upon no later than 10 calendar days after the expiration of that 30-day English language classroom placement or within 20 instructional days of submission of the waiver to the principal, whichever is later. (5 CCR 11309)

Any individual school in which 20 or more students of a given grade level receive a waiver shall offer an alternative class where the students are taught English and other subjects through bilingual education techniques or other generally recognized educational methodologies permitted by law. Otherwise, the students shall be allowed to transfer to a public school in which such a class is offered. (Education Code 310)

In cases where a parental exception waiver pursuant to item #2 or #3 above is denied, the parent/guardian shall be informed in writing of the reason(s) for the denial and advised that he/she may appeal the decision to the Board if the Board authorizes such an appeal, or to the

EDUCATION FOR ENGLISH LANGUAGE LEARNERS (continued)

court. (5 CCR 11309)

Waiver requests shall be renewed annually by the parent/guardian. (Education Code 310)

Reclassification/Redesignation

The district shall continue to provide additional and appropriate educational services to English learners for the purposes of overcoming language barriers until they: (5 CCR 11302)

1. Demonstrate English language proficiency comparable to that of the district's average native English language speakers
2. Recoup any academic deficits which may have been incurred in other areas of the core curriculum as a result of language barriers

English learners shall be reclassified as fluent English proficient when they are able to comprehend, speak, read, and write English well enough to receive instruction in an English language mainstream classroom and make academic progress at a level substantially equivalent to that of students of the same age or grade whose primary language is English and who are in the regular course of study. (Education Code 52164.6)

The following measures shall be used to determine whether an English learner shall be reclassified as fluent English proficient: (Education Code 313; 5 CCR 11303)

1. Assessment of English language proficiency using an objective assessment instrument, including, but not limited to, the state's English language proficiency assessment
2. Participation of the student's classroom teacher and any other certificated staff with direct responsibility for teaching or placement decisions related to the student
3. Parent/guardian opinion and consultation

The Superintendent or designee shall provide the parent/guardian with notice and a description of the reclassification process and of his/her opportunity to participate in the process and shall encourage his/her involvement in the process.

4. Student performance on an objective assessment of basic skills in English that shows whether the student is performing at or near grade level

The Superintendent or designee shall monitor the progress of reclassified students to ensure their correct classification and placement. (5 CCR 11304)

AR 6174(g)

EDUCATION FOR ENGLISH LANGUAGE LEARNERS (continued)

The Superintendent or designee shall monitor students for at least two years following their reclassification to determine whether the student needs any additional academic support to ensure his/her language and academic success.

Advisory Committee

A parent/guardian advisory committee shall be established at the district level when there are more than 50 English learners in the district and at the school level when there are more than 20 English learners at the school.
