Maywood Hawk Roundtable # 2 - Jan. 22, 2026

The *Maywood Hawk Roundtable* series continues with the second presentation entitled, "*The World Out There, Internet Safety for Parents Raising Kids TODAY.*"

Parents are already faced with multiple challenges raising kids in a face-paced world. Add in what is available to kids on the internet and with electronic devices, and the challenges can become enormous.

Join us as we welcome Detective Sergeant James Calaski of the Bergen County Prosecutor's Office Cyber Crimes Unit for a parents only online/internet safety presentation. This event will take place at Maywood Avenue School on **January 22, 2026 at 7:00 PM.**

Social media, screentime, gaming. Cyberbullying are a few of the topics that will be covered, while providing parents with safety tips and strategies to help navigate through an ever changing and at times dangerous online world that our kids are facing.

Extra credit, homework passes, etc will be provided to students whose parents register and attend.

Please use the link below to register for the event.
