

About Ramalynn Academy

Private Montessori for PreK—8th Grade

Rooted in the Montessori philosophy, Ramalynn Academy is a private Montessori school located in Bloomington, Minnesota, where children from preschool to eighth grade can develop the habits and life skills they'll need to thrive. Founded in 1985 by Montessori teacher Lynn Ramalingam, Ramalynn Academy strives to enable our students to live lives with personal satisfaction, and become responsible citizens of the world

Join Our School Community

For the 2026-2027 School Year

Applying to Ramalynn Academy is an easy, 4-step process.

Schedule A Tour

Visit the school to learn more about how Ramalynn Academy can benefit your child! When you schedule a tour, you'll get the opportunity to meet faculty, observe our classrooms in session, experience the day to day environment of our school community, talk in-depth about our curriculum and education style, and ask any questions you may have.

Submit An Application

Once you've completed a tour of our school, the next step will be to complete and submit the Application for Admission Form and \$50 application fee.

Complete An Orientation

The orientation allows your child to spend time in the classroom, interact with our teachers and students, and experience our calm, nurturing environment for themselves. This also gives our teachers time to get to know your child and where they're at in their developmental journey, so we can prepare a unique, individualized plan to help them grow.

Enrollment

After the orientation is complete, our Head of Admissions, Cassy Ramalingam, will discuss with you the final steps for enrollment. The Enrollment Form and \$150 enrollment fee will be due to secure your child's placement.

RAMALYNN ACADEMY

SMALL SCHOOL. BIG IMPACT.

Fun Filled Programs For Grades 1-8

Launch Into Space Camp
Wizard School
Under Sea Explorers
Gross Science
and more!

June 15th - August 20th, 2026

RAMALYNN ACADEMY
SMALL SCHOOL. BIG IMPACT.

DAILY SCHEDULE

7:30 – 9:00 AM	<i>Extended Day Activities</i>
9:00 – 12:00 PM	<i>Summer Enrichment Program</i>
12:00 – 5:00 PM	<i>Pro Sports Fantasy Camp & Rec Activities</i>

June 15th – 18th*: Launch Into Space Camp

*Ramalynn will be closed June 19th for Juneteenth.

The Ramalynn Space Camp week is your child's opportunity to immerse themselves in all things related to the NASA space program. Your child will design and build rockets to launch and build life-size cardboard spaceships to dream big in!

June 22nd – 26th*: Wizard School

Step into a world of potions, wands, magical creatures, and science-based "spells"! Wizard school blends imagination with chemistry, physics, and logic puzzles for a week of pure enchantment.

June 29th – Jul 2nd: Short Film Week (closed July 3)

This week, we will be looking toward the film industry! We will examine storytelling and art techniques from various short films and analyze how different themes, ideas and events are portrayed.

July 6th – 10th: The Physics of Magic

Experience the science behind magic! Students learn illusions, magnetism stunts, and physics marvels that feel like spells.

July 13th - 17th: Under the Sea Explorers

Dive deep into the oceans! Explore marine animals, water science, ocean layers, and hands-on STEM challenges.

July 20th – 24th: Gross Science Lab

Slimy, squishy, stretchy science! A kid-favorite week of messy (but clean and safe) experiments exploring chemistry, biology, and sensory science.

July 27th – 31st: Kitchen Chemistry Camp

Explore the science hiding in your kitchen! Students mix, cook, dissolve, whip, and experiment their way through edible chemistry.

August 3rd – 7th: Camp Critterology

Become a critterologist! Kids investigate real, imaginary, and invented animals through biology, art, engineering, and creative storytelling.

August 10th – 14th: STEM Survivor Week

Outwit, outbuild, out-STEM! Tribes work together to solve engineering challenges, survival puzzles, and logic missions. No wilderness danger—just teamwork and fun.

August 17th – 20th: A Puzzling Week

Students delve into puzzling scenarios, strange riddles, and use team work to find the answers to life's greatest mysteries! Students can bring puzzles from home to share and work on with friends!

August 21st – 25th: School Closed: Teacher Workshops

Pro Sports Fantasy Camp

Mr. Krishna Ramalingam

12:00 – 5:00 p.m.

- ⇒ **Soccer, Golf, Tennis, Flag Football, and Swimming** will be highlighted in our fun summer sports program. Great for boys and girls of all ability levels. Positive coaching fosters positive self-esteem, improves coordination and sportsmanlike conduct.
- ⇒ Golf the four **PGA Major Tournaments**
- ⇒ Ramalynn Soccer will feature the **2026 FIFA World Cup**. As the premiere sporting event takes place here in the United States, it will come to life on the soccer fields at Ramalynn when our student athletes play out the tournament with all the pomp and circumstance of the actual World Cup!
- ⇒ **Pool Parties** when the temperature exceeds 80 degrees
