

Watchung Hills Regional High School
Parking Rules and Guidelines for Juniors
Spring Semester

Dear Parents/Guardians and Junior Students:

We are pleased to provide you with the parking application and contract. Please read all the information carefully. Please remember that parking remains a privilege, not a right, and with that privilege comes serious responsibility. Strict enforcement of the parking rules is in effect to ensure a safe campus.

Parking Guidelines and Consequences

Parking is by permit only and parking on campus is on a first-come, first-served basis. There are no assigned spaces. A BLUE Permit will be issued to juniors for the spring semester. Juniors are allowed to park only in the **lower gravel lot** closest to Mountain Avenue. If the lower gravel lot is full, overflow parking will be in the Mountain Avenue parking lot. Juniors who do not possess a valid parking permit are not allowed to park anywhere on campus, including Mountain Avenue.

Any student vehicle parked anywhere on campus, including the gravel lots and the Mountain Avenue lot, must have a permit. All parking hang tags must be hung from the rear-view mirror of the vehicle. Vehicles not displaying valid permits will receive a summons issued by the Warren Township Police Department.

All vehicles must be registered with Security through the application process. Parking permits are not transferable to another vehicle. If the registered vehicle is out of service for any reason the student must email Mr. Shea at cshea@whrhs.org and provide a full description of the vehicle being driven to school.

Any student giving or loaning a permit to another student or any student forging a permit or using a forged permit will forfeit all present or future parking privileges on campus, including the Mountain Avenue lot.

Lost or stolen permits must be reported immediately to Security. A replacement will be reissued for a cost of \$25.00, payable by check or money order to WHRHS.

Any student found parking in an area not designated for students, such as spaces reserved for faculty, staff, or visitors, will receive a summons from the Warren Township Police Department.

Any student that violates the New Jersey Title 39 motor vehicle laws governing parking and driving will receive a summons issued by the Warren Township Police Department.

If a summons is issued by the Warren Township Police Department, any questions regarding the summons should be directed to the Warren Township Municipal Court or Police Department.

Any willful violation of the campus driving/parking contract and for cause outside the contract is just cause for immediate revocation of the student's driving/parking privileges on campus.

In addition, students will forfeit their parking privileges for the following reasons:

- Tardies: Acquired 15 late arrivals to school (excuse or unexcused).
- Engaging in improper conduct at any school athletic event or co-curricular activity.
- Found in possession and/or using any vapor devices or paraphernalia.
- Found in possession and/or under the influence of any drug or alcohol while in school or at any school-sponsored event or activity.
- Violating motor vehicle operating laws as outlined in N.J.S.A Title 39 while on campus.
- Any violation of the WHRHS parking guidelines, including but not limited to parking in spaces reserved for faculty, staff, visitors, and persons with disabilities or in areas prohibited by N.J.S.A Title 39.

WHRHS reserves its right to revoke parking privileges for any willful violation of the campus parking contract and for causes outside the contract. WHRHS further reserves its right to assign appropriate discipline for parking-related offenses and to revoke a student's permit or issue a red permit if circumstances warrant such consequences.
