Embracing Our Differences Michigan - Art Submission

Artists possess a powerful tool to evoke social change. Without uttering a single word, they can enlighten, educate and affect change around the world. Embracing Our Differences invites you to participate in creating a society where diversity is embraced and individuality is celebrated.

Become a part of this change by submitting your original art to Embracing Our Differences Michigan and its annual local, national, international outdoor juried art exhibit. Submission information:

Southeastern Michigan Artists, professionals, amateurs, students - everyone can participate. There is no submission or entry fee, there is no restriction on entering art which has been submitted to previous competitions. Final selections will be chosen based on artistic excellence and originality in the reflection of our theme, "enriching lives through diversity and inclusion." We strongly encourage new and fresh interpretations of our theme. Digital high resolution 300 dpi horizontal format images only. For more information visit our website or email us:

Echoes of Amihan Whispers of Diwa
by Abby Garci

Embracing Our Differences Michigan is a non-profit organization that promotes diversity and inclusion through art and education.

To encourage community participation every year, we invite you to submit your original artwork and thoughts on the theme of diversity. The winning selections are displayed in the spring.

We are currently calling for your original thoughts, ideas, quotes or slogans about diversity, inclusion, and social justice in 20 words or less.

To submit and get more information please visit the website

Ann Arbor Parent Advisory Committee - Update

The most recent Ann Arbor Parent Advisory Committee (AAPAC) meeting was held via Zoom on December 1st. A counselor from Michigan Rehabilitation Services (MRS) spoke about the support the organization provides to AAPS high schoolers who have an IEP. Unfortunately the support is not provided to students with a 504 Plan at this time. MRS offers support via courses designed to plan out next steps post-high school for students, providing work-based learning experiences in local community businesses like hotels, restaurants, companies..etc, and working one-on-one with students to learn self-advocacy skills for college and the real world. They are available to attend IEP meetings, and typically would be invited by the school to these meetings. Additionally, Keely Hoffman, the Lead School Nurse for AAPS, spoke about the school nurse's role in supporting students with various health-related needs.
