Monday, December 15th, 2025

- Hey, Wolves, your best ideas come when you're not glued to a screen. Going device-free gives your imagination room to run wild—like wild wolves in the forest. Use today to spark a new idea, doodle, write, or dream up something big.
- Volleyball players, please see Mrs. Huffer today.
- Attention all students: King Tech High School is offering a Third Session of Career & Technical Education courses during the 3rd quarter. These classes will begin on Monday, January 12, and run for 7 weeks, Monday through Thursday, from 4 - 5:30 pm. After-school bus transportation will be provided. Students successfully completing Third Session courses will earn a letter grade and a half elective credit. Enrollment deadline is TOMORROW! So please see your counselor ASAP to register, and visit the [King Tech website](#) for more details on specific classes.
- Need a little sunshine in your life? Every day through finals, YANA members will be hiding batches of "Mini Sunshine" around the school. If one is found, redeem the mini sunshine for a prize with Mrs. Laret. All students and staff are welcome to participate. Limit one prize per person.
- Semester 1 is almost in the rearview mirror, and if your to-do list feels longer than Santa's naughty and nice list, we've got good news! We have a supported study hall session running after school from 3:30-5:30 in the Library, today and tomorrow. Come get support, get organized, and give your to-do list the plot twist it deserves.
- Now is the time to fill out the [schedule change request form](#) if you want to make a change to your **ELECTIVE** choices for 2nd semester. This is only for elective classes. There will be no schedule changes to core classes, and no elective changes will be made after the winter break. Find the [Google link to the schedule change request form](#) in Canvas or on the ERHS website, now through Dec. 18th. See your counselor with any questions.
- Join our Eagle River Wolves hockey team for the Pink Out Game as they take on Chugiak High School at the Mac Center on January 6th at 7:30 PM. This special night is dedicated to raising

awareness for breast cancer and supporting those who are fighting — because cancer never quits, and neither do we. Wear pink, bring your friends, and support our community! We hope to see you there!

- Today's Lunch: Tangy Orange Chicken w/Mixed Grain Rice or Kicken Tenders or Pepperoni Pizza, Steamed Broccoli or Steamed Corn or Fresh Veggies from the Salad Bar, Fresh Apples or Dried Raisins, Milk.
