CURRICULUM

A comprehensive curriculum of 140+ courses emphasizes preparation for college. Besides extensive offerings in English, mathematics, social studies and sciences, study in four languages is offered: six years of French and Spanish, five in Latin, five years in Chinese and three years in American Sign Language (ASL). One notable exception: approximately 40 French students in ninth grade have been part of our Immersion program since kindergarten; as sophomores, they will take Diverse Franco-phone World. As juniors, they'll take AP French Language & Culture. As seniors, they all have an opportunity to take French Culture in the Modern World.

One in three takes one or more leadership roles. Edina offers a wide array of opportunities including athletics, debate, music, publications, student government, theater, and clubs ranging from art to foreign language to math. The Community Service Letter is an award earned by students who go above and beyond when it comes to serving others. In 2025, 199 students earned a letter in community service.

DECILE RANK

By Board policy, Edina High School High School will not rank students, but will provide a grade distribution chart by deciles. Decile rank is determined by deciles, that is, groups of ten percent of the senior class. With a senior class of 655 students, or example, the first decile includes approximately the top 65 student GPA's. The second decile contains the next ten percent and so forth.

CLASS OF 2025

DECILE RANK DETERMINATION

Decile rank is determined by decile groups of ten percent within a students' class. For example, with a senior class of 700 students the first decile include, approximately, the top 70 students' GPA's. The second decile would contain the next ten percent of student GPA's and so forth. The size of the class noted on the high school profile reflects the number of students ranked at the end of the most recent semester when the rank was calculated.

WEIGHTED AND UNWEIGHTED DECILE RANK

Students are officially ranked by decile at the end of each semester beginning in their 9th grade year. Only Advanced Placement courses taken at Edina High School are assigned a weighted value of 1.2 for purposes of calculating a weighted decile rank. Unweighted decile rank is based on the cumulative GPA of **ALL** courses taken at Edina High School. Since grades from other schools are not used in computing the grade GPA, transfer students do not receive a decile rank until they have received grades from Edina High School.

WEIGHTED RANKS: DECILE RANGES
