

## Annual Notification: Access to District & State Report Card Information

Dear Parents, Families, and the Coffeyville Community,

In accordance with Kansas State Department of Education (KSDE) and Federal Title Program requirements, Coffeyville Public Schools USD 445 is providing access to the most recent District and School Report Card information. These report cards offer a transparent look at student achievement, graduation rates, assessment performance, accountability measures, and other important data that reflect the progress of our schools.

### How to Access the Kansas Report Cards

KSDE publishes district and school-level data through the Kansas Report Card website.

**To review information for Coffeyville Public Schools and each of our schools:**

1. Visit the Kansas Report Card website:  
👉 <https://ksreportcard.ksde.org>
2. Select "Districts" and search for Coffeyville USD 445.
3. You may then view detailed information for:
  - Coffeyville Learning Center
  - Early Learning Center (ELC)
  - Community Elementary School (CES)
  - Roosevelt Middle School (RMS)
  - Field Kindley High School (FKHS)

**Each report includes state-required data such as:**

- Academic achievement (ELA, Math, Science)
- Graduation rates
- Postsecondary outcomes
- English Learner progress
- School climate indicators
- Accountability and designation information

- Teacher/Staff qualifications

- District and building demographics

## Why This Matters

USD 445 is committed to transparency, continuous improvement, and meeting the needs of every student. These reports help us:

- Evaluate progress on district goals
- Identify areas of strength and growth
- Strengthen instructional practices
- Ensure compliance with Title I, II-A, III, and IV-A requirements
- Engage families and community partners in meaningful conversations about student success
