

2025 College and Career Readiness Performance Index (CCRPI)

Progress

This component measures how much growth students demonstrate in English language arts and mathematics proficiency.

Closing the Gap

This sets the expectation that all students and all student groups will improve their achievement rates. This component is based on CCRPI improvement targets for academic achievement.

Readiness

This component measures whether students are participating in activities that prepare them for and demonstrate readiness for the next level, college, or career.

Graduation

This component measures whether students graduate from high school with a regular diploma within 4 or 5 years.

Content Mastery

This component includes achievement scores in English language arts, mathematics, science, and social studies on Georgia Milestones.
