

2025 College & Career Ready Performance Index (CCRPI) 3 Year Trend

Content Mastery addresses whether students are achieving at the level necessary to be prepared for the next grade, college, or career. This component includes achievement scores in English language arts, mathematics, science, and social studies

22.5 23.5 24.6 ↑ +1.1

Progress measures how much growth students demonstrate in English language arts and mathematics and how well English learners are progressing towards English language proficiency. The English language arts and mathematics indicators utilize Student Growth Percentiles (SGPs) to measure how much growth students demonstrated relative to academically-similar students on Georgia Milestones

60.5 65.8 58.7 ↓ -7.1

Closing Gaps sets the expectation that all students and all student groups make improvements in achievement rates.

60 59.4 42.9 ↓ -16.5

Readiness measures whether students are participating in activities preparing them for and demonstrating readiness for the next level, college, or career. High school indicators include at or above grade-level reading, student attendance, accelerated enrollment, pathway completion, and college and career readiness.
