Kaukauna Area School District 2025-2026 Assessments

The Kaukauna Area School District uses different measures to monitor student learning and instruction, including assessments from both the district and the state. Below are the assessment windows and dates for the 2025-2026 school year. Note that students will take assessments within the window or the day listed by their grade level. For more information about the Wisconsin Statewide Assessment System, please visit <https://dpi.wi.gov/assessment>.
