Why Should You Go To MNTMS?

You want to belong to our campus because we prepare scholars for high school and the real world through meaningful, real-world learning. As part of the New Tech Network, we empower students with Project- and Problem-Based Learning and assess growth through our School-Wide Learning Outcomes—Knowledge & Thinking, Collaboration, Agency, and Communication—to equip them with the skills they need to succeed.

Why Should You Go To MRA?

You want to belong to a school where every student is known, supported, and challenged – that’s Manor Rise Academy. At MRA, students thrive in a safe, inclusive K-8 community with strong academics, caring relationships, and a middle school experience that offers leadership opportunities, daily electives, and a strong foundation for high school success. Families choose us because we balance high expectations with a nurturing environment where every child can grow, lead, and excel.
