1. Stipend- Stacie Strait will be the sponsor for Girls Who Code from January-May 2025. It is a great way to empower young girls from 4th and 5th grade through learning new skills like coding. We are asking for \$612.50 + benefits for the coach of "GIRLS WHO CAN CODE" for the semester. Jenene Jackson motioned to use some of the Site Council funds to pay a coach, Mr. Lewis seconded it. Motion carried. Mrs. Grant discussed that we would like to offer math tutoring for each grade level for students before or after school. We would like to pay for each staff member willing to do the tutoring. They would tutor from January to the end of April. We are asking to fund 6 sponsors from classified staff to help support the certified teachers and tutor the group of students that need the extra help in math .Certified staff will be funded by Title 1 funds. Micheal Lewis motioned to use some of Site Council funds to pay for a stipend of \$612.50 + benefits each (6 tutors) Kimberly Roberts seconded the motion. Motion carried.
2. School letter grade- Mrs. Grant informed us that we earned a B. We are very close to an A and proud of the work we are doing to support student learning.
