Agenda Item #1: Review Fall SEL Data

Discussion/Comments: *We reviewed the data for the entire school for each of the 8 headings. The data was broken down by questions in each section. We noted that 67% of our students had a positive response to feeling welcome at school, and even more had a positive relationship with an adult on campus. As we reviewed each area, we broke it down by grade level, ethnicity, LTELs, and SPED. We found that our 10th graders rated everything the highest overall, and our 11th graders rated everything the lowest consistently. They have the hardest time building relationships and viewing the school in a positive light. 81% of our student body said they have never been bullied this year, but our freshman have experienced the most bullying of the four grade levels. We also found that our African American population consistently rated everything the lowest of all of our subgroups.*

Agenda Item #2: Formally Progress Monitor 2025-26 SPSA Actions/Services Implementation & Outcomes and complete Mid-Year Report using the required template.

Discussion/Comments: *We discussed that we have made progress from our last meeting in three major areas: we have planned an ESL trip to a college in second semester and have a few more meetings planned for our EL and their parents, our counselors have made second semester plans for groups and activities to involve more students in positive ways, and*

we have spent more money on PBIS and rewards to promote positive behavior and interactions on campus. We also discussed that on December 1st we have a mid-year progress report due, and they would be getting a copy of that at our next meeting.

Agenda Item #3: Review and Approve Revised 2025-26 SPSA and Related Budget (IF APPLICABLE) (Action Item)
