Meet Feet of the Digital Citizens!

What footprints are you leaving online?

In this short, introductory digital citizenship lesson, students will meet **Feet**, one of the six Digital Citizen characters! Feet explores the meaning of digital footprints and why it's important to watch where we "step," being careful about what we share.

Students will be able to:

- Understand what a digital footprint is.
- Reflect on what and who they share with online.

Vocabulary:

digital footprint

trail

Key Standards Supported

CASEL

1a, 1b, 1c, 1d, 1e

- [Video: Meet the Digital Citizens: Feet](#)
- [Meet Feet Handout](#)

FOR FAMILIES

- [Family Tips](#)

Lesson Plan

Watch and Reflect: **Meet Feet!**

15 mins.

1. Project the [slide deck](#) and first do the feelings check-in with students (**Slide 2**). Then, present the essential question (**Slide 3**), and review the vocabulary words that will be a part of the video (**Slides 4 and 5**).
2. Watch the [Meet the Digital Citizens: Feet](#) video (**Slide 6**).

After watching, revisit the question that Feet asks at the end of the video (**Slide 7**) and have a class discussion, helping students reflect on what and who they share with online.

3. Distribute the [Student Handout: Meet Feet!](#) and allow time for students to color in the picture and write a word or sentence to answer the question on **Page 1**. Then, invite them to share their reflections with the class.

Note: This student handout also includes a take-home family activity on **Page 2**.

4. Send the [Student Handout: Meet Feet!](#) home so students can complete the family activity on **Page 2** with a family member.
 5. **(Optional)** Project **Slide 9** to introduce students to the rest of the Digital Citizen characters and topics with the [Meet the Digital Citizens video series](#).
-

- - Introduce students to the rest of the Digital Citizen characters and topics with the [Meet the Digital Citizens video series](#).
- Want to dive deeper into **digital footprint and identity**? [Check out these lessons!](#)
- Want to bring these characters to life in your classroom? Check out our [free posters](#) or get some swag from the [Common Sense Education store](#).
