

GALVESTON YOUTH LEADERSHIP AWARDS

APPLICATION DUE DATE:

Return BHS Counselor or to Ms. Vaiani at tiffanyvaiani@gisd.org

Congratulations on your decision to apply for the Galveston Youth Leadership Awards. These awards began in 1980 and remain some of the most prestigious awards given to seniors. An application packet can be completed as a hard copy and handed into a BHS counselor, or a digital copy can be sent to Ms. Vaiani via her email above.

Instructions:

Complete all items, leaving no blanks. If an item is not applicable, write "n/a." If the space on the application is not adequate, add rows as needed or use supplemental pages for any additional information you wish to add. You are also free to reproduce the application and/or add a resume or other supporting documentation.

Return the following items along with the completed application:

- **Two teacher recommendation letters**
- **A letter of recommendation from someone in the community with whom you have worked, preferably in a volunteer capacity**
- **A copy of your current transcript**
- **A recent photo**

The judges will be considering your leadership, as well as your academic and athletic achievements, your community service and evidence of your cultural awareness. The Ball High scholarship committee selects winners based on the written application process only. The depth and quality of your application will set you apart from other applicants. Each aspect of the application is assigned points, so be sure you have completed all parts. GYLA community judges use the written application along with a personal video to determine the top three award winners.

Nominee Background Information

The information may be typed in or computer-generated. Add rows as needed.
