Greetings!

AAA South Jersey's annual high school scholarship contest is here. The enclosed application spells out the requirements, this year's topic, and the submission deadline.

This is an ideal way for high school seniors residing in and attending high school in Camden, Gloucester, Cumberland, or Salem County to get their creative writing skills flowing and to compete for a **\$2,500 scholarship** to be used toward any two- or four- year accredited educational institution.

Additionally, every student who enters a qualified submission -- win or lose -- will receive a free, one-year AAA Basic Student Membership, which will be invaluable as students begin to drive and head off to college.

Now in its 17th year, the AAA South Jersey high school scholarship contest has helped high school seniors in our area realize their dreams of attending college.

We hope that you encourage your seniors to participate. True, the money is important, but so is the experience!

Students can upload their essays to www.AAA.com/scholarship or mail a copy with the attached application to AAA South Jersey's Voorhees office. We encourage you to post the application on your school's website as well so that students have easy access to it. Should you have any questions regarding this exciting opportunity feel free to call us at 856-679-2670.

We look forward to another successful program and hope to have your support.

Sincerely,

Matthew Bowker

For generations, AAA has been part of countless journeys. Travel isn't just about reaching a destination; it's about the stories we collect along the way. Think back to a trip that changed you—maybe a family vacation that brought you closer together, or a solo adventure that taught you something unexpected. Or imagine a future journey you dream of taking, one that could transform your perspective. In your essay, tell the story of that experience: what moments stand out, what lessons you discovered, and how it shaped -- or could shape -- the way you see the world.
