

CARROLL
Independent School District

CISD Regular Board Meeting
President's Report
December 15, 2025

I would like to begin tonight by celebrating several outstanding accomplishments across our District. First, again, congratulations to our Boys Cross Country team on winning the State Championship. This is an extraordinary testament to the hard work, discipline, and commitment of our student athletes and coaching staff. We're incredibly proud of you for representing our District at the highest level.

I also want to commend our football team on an exceptional season that concluded in the state semi-finals. Although the final outcome did not result in a championship appearance, the teams' performance, perseverance, and sportsmanship throughout the season brought great pride to our District and to our community.

Next, I would like to recognize Ms. Shatina Lewis, Principal of Carroll Senior High School, and her entire administrative team. For the first time in four years, the Senior High School has successfully passed the Texas Education Agency intruder audit. This is a significant accomplishment and reflects intentional leadership, preparation, and a renewed commitment to student and staff safety. Ms. Lewis has made safety a clear priority, and tonight, we applaud her leadership and the collective efforts of her team. Congratulations, Ms. Lewis.

I also want to note that all elementary, intermediate, and middle school campuses in our District have passed their intruder audits every year, and we are grateful for their consistent diligence and focus on safety, demonstrated by our principles and staff across those campuses.

Finally, this evening, the Board will begin discussion of the recommendations from the BRAC Tiger Team Task Force II, which includes considerations related to facility consolidation. These conversations are important as we continue to plan responsibly for the future of our District, ensuring that our facilities align with enrollment trends, fiscal stewardship, and the long-term needs of our students and community.

Thank you to our students, staff, administrators, and community for your continued dedication and support of our award-winning District, and on behalf of the Board of Trustees and our superintendent, we hope everyone has an awesome Christmas Break.

Merry Christmas and Happy New Year! We'll see you in 2026.

Cam Bryan
President,
Carroll ISD Board of Trustees
