KELLER ISD	Key Strategic Priority: 5
ADMINISTRATIVE REGULATION	Business
Employee Environmental Health and Safety	CL(R2)

PURPOSE

Keller Independent School District is committed to minimizing the potentially significant health risks associated with exposures to scented products. Scented products can cause a variety of health problems such as respiratory symptoms like sinus congestion, wheezing or shortness of breath or an asthma attack.

The following products should not be used in any Keller ISD facilities:

- Scented candles, potpourri, scented ornaments, etc.
- Scented household products, air fresheners, diffusers, plug-ins, scented aerosol sprays, etc.
- Scented and non-scented candles and electric warmers (these products also pose a safety concern and are prohibited by AR CK(R1)
- Use of cleaning products other than those approved by the district are prohibited; approved products for cleaning personal workspace are:

Clorox wipes
Lysol wipes
Non-scented Lysol spray
