

WAIS ROBOTICS

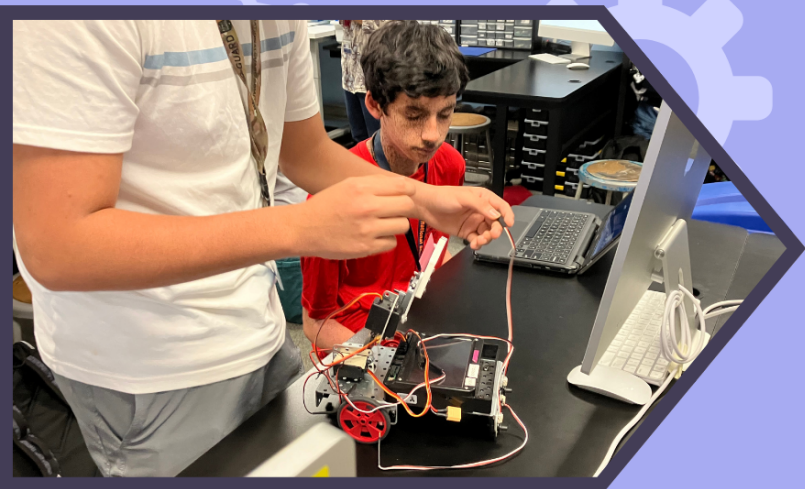

Learn new coding skills in C.
→ Autonomous robots:
robots operate only based on code meaning they aren't controlled via remotes.

Compete in both local and out-of-state competitions and test your teamwork, collaboration, and communication skills.

Put your creative mind to use while building both complex and simple mechanisms.

OPEN TO ALL GRADES
THERE IS A TEAM FEE
BEGINS IN SEPTEMBER

TUESDAYS AFTER-SCHOOL
MEETS IN A341
LIMITED ENROLLMENT

Sponsors;
Cheryl Wegscheid & Shaun Wegscheid
