Message from the Superintendent

North Branch Area Schools Lowers Debt Millage Rate for Taxpayers

North Branch, MI – The North Branch Area Schools Board of Education is pleased to announce that the district's debt millage rate will be reduced from 8.44 mills to 8.00 mills, effective immediately. This means the 2025 winter tax bills that will be mailed out shortly to district taxpayers will reflect a decrease in property tax owed. This reduction reflects the district's continued commitment to fiscal responsibility and good stewardship of taxpayer dollars.

The ability to lower the debt millage rate is the direct result of the district's proactive efforts to refinance existing debt in both 2020 and 2025, achieving significant long-term savings for taxpayers and improving the district's overall financial position.

In 2020, the district successfully sold \$8.9 million in Refunding Bonds, refinancing debt owed to the State of Michigan under the School Bond Qualification and Loan Program. This effort saved taxpayers an estimated \$1.245 million through lower interest costs, aided by an upgrade in the district's Moody's credit rating from A3 to A2 due to improved fund balances and stable enrollment.

In 2025, the district again acted strategically by selling \$14.295 million in Refunding Bonds, reducing bond payments by approximately \$1.7 million over the next 10 years and further decreasing interest paid to

the School Loan Revolving Fund. Moody's upgraded the district's underlying credit rating once more, to A1, citing strong reserves, moderate leverage, and growing enrollment.

Together, these two refinancing efforts have saved North Branch taxpayers approximately \$2.9 million while maintaining the district's ability to invest in quality educational facilities and programs for students.

Superintendent Jim Fish stated, "We are proud to deliver savings to our taxpayers while continuing to invest in our schools and our community. The hard work and dedication of our staff, board, and residents have been instrumental in ensuring the district's strong financial position."

Melissa Montgomery, Director of Finance & Human Resources, added, "Our district's upgraded credit rating and reduced long-term debt costs demonstrate the success of our sound financial planning. These savings directly benefit our community by allowing us to allocate more resources toward student learning and success while lowering the tax burden on taxpayers."

The North Branch Area Schools Board of Education extends its sincere appreciation to the community for its continued trust and support in providing excellent educational opportunities for all students.

NORTH BRANCH ELEMENTARY SCHOOL

RUTH FOX MIDDLE SCHOOL

NORTH BRANCH HIGH SCHOOL

This fall the high school Drama Club presented three performances of "The Lion, the Witch and the Wardrobe". The cast and crew worked together to create an outstanding performance and opportunity for students from the high school and middle school to be involved in something special at NBAS.

Two Seniors Named National Merit Scholarship Semifinalist

For the second year in a row, North Branch High School has had a student recognized as a National Merit Semifinalist. This year, two students, **Logan Burack** and **John Ehardt** have earned this prestigious recognition.

We are exceptionally proud of them both for earning this achievement and look forward to the possibility of them being named Finalist later this year.

Congratulations Logan and John!

National Honor Society Welcomes New Members

For sixty-three years, students attending North Branch High School have had the opportunity to apply to and be inducted into the National Honor Society. This fall was no different with the induction of 28 new members to the NBHS Chapter. These students have demonstrated the highest achievement in scholarship, service, leadership and character.

Congratulations on being accepted to this outstanding service organization!

New Courses Bring New Opportunities

This fall found the return of some opportunities for students at NBHS to have hands-on experiences in the classroom. With the return of woodworking courses students focus on creating, designing and building projects in the shop.

The addition of Economics with Business Applications allows for students to create and sell products through applications of their econ course. This has led to the reopening of the school store area under its new name "The Blend" where students are able to purchase drinks on Fridays. This class has also brought about the foundation of the "Bronco Outfitters" which designs and sells shirts to various student groups and activities.

NB High School Charters New Key Club

This fall students, staff and the local Kiwanis Club worked together to bring a **Key Club** to North Branch High School. This service organization affords students the opportunity to be involved in the community and grow their leadership skills.

We are very excited to provide yet another way our students can be involved in the school and community.

North Branch High School Band News

Led by music teacher Jeff Ehardt, the North Branch Band and Color Guard delivered an unforgettable performance of their **"Lights Out"** show on October 17th. The students did an outstanding job presenting a dynamic program featuring *"Holding Out for a Hero"* by Bonnie Tyler, *"Hallelujah"* by Leonard Cohen, and *"Accidentally In Love"* by Counting Crows. The hard work of the musicians and the electrifying fireworks show put on by the North Branch Fire Department captivated the audience, providing a spectacular and memorable finale to the Broncos' evening.

It is with immense pride that we share the recent outstanding accomplishments of the following dedicated NBHS band students!

Seth Wagner has been accepted into the All-State Orchestra as one of the trumpet players (filling one of the three trumpet parts). Seth will perform with the All-State Orchestra at the Michigan Music Conference in mid-January at the DeVos Place in Grand Rapids. Congratulations to Seth and his family on this exceptional honor!

In October, **Seth Wagner** and **Lukas Degler** were accepted into Oakland University's Honor Band program. They successfully performed with the ensemble on Saturday, November 15th. Congratulations to Seth, Lukas, and their families!

John Ehardt was accepted into the Detroit Symphony Orchestra's Civic Youth Symphony Orchestra in May of last year. In late August, John won the position of Principal Trombone. The Civic Youth Symphony's first performance was on Sunday, November 2nd in the historic Orchestra Hall, conducted by Assistant Conductor Ingrid Martin. The Civic Youth Symphony's next performance will be the last week of January.

John Ehardt, Matthew Marble, and **Seth Wagner** were accepted into the Flint Youth Wind Ensemble and the Flint Youth Symphony Orchestra in August. These

ensembles meet every Monday and Tuesday, with their first performances scheduled for December 12th and 13th. Congratulations to John, Matthew, Seth, and their families!

Our musicians continue to shine through their hard work, passion, and commitment to excellence. Their growth as performers—and as leaders—makes us incredibly proud. Please join us in celebrating their achievements and congratulating them on a season filled with talent, teamwork, and unforgettable music.

College & Career Advisor Provides Variety of Opportunities to Students

The NBHS College and Career Advisor, Kristina LaBarge, has maintained a balanced focus on meeting the needs of students with their college and career planning and goals. This fall, she hosted a county wide College Fair, bringing in over 50 schools for students to meet with and learn about. In addition to this opportunity, she has also hosted a FAFSA Support Night to assist students with plans to attend a two year or four year college or university.

For those not intending to go the college route, two opportunities have also been provided with exposure to the trades through an event to start the school year and a recent mobile field trip visiting the school.

Thank you Mrs. LaBarge for your planning and organizing these opportunities for our students at North Branch High School.

Let's See How Far We've Come

2017 Quest graduate *Charlotte (CJ) Davis* came as a guest speaker. Charlotte shared her journey from graduation to present day!

Today, Charlotte is a small business owner, owning Quality Cleaning Services serving Lapeer and Oakland County. Her team does both commercial and residential cleaning.

Family Fun Fair!

Quest students lent a helping hand at the annual Family Fun Fair put on by our North Branch PTC! A big thank you for inviting Quest students to volunteer! A great event by a great organization!

Great job Alex Kozlowski, Alyssa Pyke, Andrew Trombley, and Wyatt Winslow! Your work was greatly appreciated!

Quest Models Success

Quest welcomed **Jennifer Fregetto** from East China school district to tour Quest today! Mrs. Fregetto is the East Star Coordinator/Teacher in her district. Her program specializes in credit recovery and life skills. Mrs. Fregetto learned about Quest through a MEA voice article about the amazing things our Quest students do each year!

Flying Discs & Fresh Air!

Quest hosted Ascent Alternative and Caro Alternative for the TASL Disc Golf Championship, hosted at "The Quest" disc golf course in North Branch (located between Ruth Fox Middle School and the Catholic church - FREE to play!). Despite high winds, Quest was able to finish as tournament runner-up. Senior Jackson Miller finished 3rd overall for individual competitors.

NB Masonic Lodge Supports Quest

Quest would like to thank the North Branch Masonic Lodge, the Order of the Eastern Stars, our Quest families, former graduates, our many current NBAS staff, and our community for another great Quest Benefit Dinner!

The North Branch Masonic Lodge has held this event for Quest High School since 2006! We greatly appreciate your love and support each and every year at this event!

Thrift Shop Volunteers

Quest High School is grateful to again be celebrating a partnership with the North Branch Thrift Shop!

Each Monday, Quest sends 3-5 students to volunteer at the thrift shop for an hour!

Thank you for allowing us to serve!

Enroll Today at Award Winning

Quest High School!

Students interested in enrolling at Quest High School or obtaining more information about the programs offered at Quest can learn more about us on our Facebook page at:

www.facebook.com/NBQuesthighschool/

To enroll at Quest, contact Program Coordinator Corey Rosser by email at **crosser@nbbrncos.net** or by phone at **810-688-7581**.

Quest Students Get CPR Certified

NBHS teacher, Krisline Kemp, volunteered several hours at Quest High School to certify students in CPR. She covered basic first aid as well!

8th Graders Explore Future Careers at MiCareer Quest

Ruth Fox Middle School's 8th-grade students gained a hands-on look into future careers at the GST Michigan Works MiCareer Quest, held at the Dort Federal Arena. The event, made possible through a partnership with the Lapeer College Access Network (LCAN), offered students a unique chance to explore diverse career fields through interactive activities.

Students engaged directly with professionals across industries such as Advanced Manufacturing, Construction, Technology, Health Services, and other in-demand careers. Through these hands-on experiences, students discovered potential career paths they might not have previously considered. The event encouraged students to interact with employers and colleges, to ask questions, and to learn at their own pace.

Conversations among students and presenters were vibrant and informative, leaving participants excited and inspired to explore various career possibilities. The event provided valuable insights and options for students to consider as they plan their educational and career paths.

Artsonia's Artist of the Week

Artsonia is one of the nation's largest collection of student digital artwork, with over 300,000 pieces of artwork uploaded weekly. Each week they select students to be voted on as the Artist of the Week.

For the week of October 12th, **Bryce Muxlow** was selected as the grade 7-9 Artsonia Artist of the week, with over 700 votes. Both Bryce and Mrs. Baksa received Blick Gift Cards for art supplies, as well as Bryce received a commemorative plaque with his artwork.

Congrats Bryce!

PENNY WARS

Ruth Fox Middle School held its popular "Penny Wars" fundraiser again this year, coinciding with the Michigan vs. Michigan State football game week. The school's students rallied behind their favorite teams by adding money to jars representing either Michigan or Michigan State.

In a close battle, Michigan came out on top, securing victory over Michigan State. Through this friendly competition, students raised over \$300 in just three days. Every cent will go toward supporting Ruth Fox Middle School's students and families in need this holiday season.

This annual event showcases the spirit and generosity of Ruth Fox's students and the school's commitment to making a positive impact in the community.

23rd Annual Old-Fashioned Family Christmas

The holiday season is just around the corner, and North Branch Area Schools is preparing to welcome families from the community and beyond to the 23rd Annual Old-Fashioned Family Christmas. The festive gathering will be held on Friday, December 12, 2025, from 6:00 p.m. to 8:00 p.m. at Ruth Fox Middle School.

This beloved event, a longstanding tradition in the community, promises an evening filled with fun for all ages. Families can enjoy a variety of holiday-themed games, delicious treats, and a chance to snap photos with Santa Claus himself. At 8:00 p.m., attendees will have the opportunity to participate in the eagerly anticipated prize drawings, which include \$1 raffle with baskets valued at over \$100 each, as well as \$.25 raffle items. Winners do not need to be present to claim their prizes, although attending adds to the excitement.

Tickets for the \$1 basket drawing are available for purchase both at the event and in advance at the Ruth Fox Middle School office. Event updates and additional information will be posted on the Ruth Fox Middle School Facebook page as the event date approaches.

The Old-Fashioned Family Christmas event is not just about festive fun – it also serves a meaningful purpose. Proceeds from the evening will help fund a trip to the U.S. Space and Rocket Center Space Camp in Huntsville, Alabama, for selected Ruth Fox Middle School students. The application process for students interested in becoming “Space Campers” will open in February 2026.

All families are encouraged to come out, join in the festivities, and support this wonderful cause that makes a difference in students’ lives.

Building Future LEADERS

The Ruth Fox Middle School (RFMS) Student Council has been actively engaging in community service and leadership-building activities this school year, showcasing their dedication to both their school and the broader community. This year, the student council members made significant contributions, reflecting their commitment to making a positive impact.

In October, the RFMS Student Council participated in Lapeer’s Neighbors Helping Neighbors event. This annual event brings together community members, local businesses, and organizations to share valuable resources and support with the community. RFMS students joined efforts to assist attendees, helping distribute resources and offering support wherever needed. Their enthusiasm and dedication did not go unnoticed, with community members praising the students’ work ethic and eagerness to help.

Following their community service, student council members shifted their focus to building school spirit for RFMS’s homecoming week. They organized a spirited scavenger hunt,

hiding mini-broncos around the school for students to discover and win prizes.

Most recently, the RFMS Student Council attended the MASC/MAHS Leadership Conference in Frankenmuth. This event gathered middle school leaders from across Michigan for a day dedicated to developing communication skills, leadership qualities, and teamwork strategies. RFMS students eagerly participated, collaborating with peers from other schools and bringing valuable insights and innovative ideas back to North Branch.

As the holiday season approaches, the RFMS Student Council is looking forward to applying the new skills they gained from the conference. Their continued dedication highlights the positive impact young leaders can have within Ruth Fox and the wider community.

2025 ALL-STAR READING NIGHT

The 2025 All Star Reading Night was held in late September at the North Branch High School football field. We had athletes representing football, cheer, volleyball, golf, cross country, boys' basketball, wrestling, and softball on the field reading to students at various stations.

Beverly the Music Lady engaged children with interactive songs, and Bronco the Billy was roaming the area giving high fives. Families were able

to visit several community vendor tables setup on the track, learning more information about additional literacy supports or signing up for a library card with the North Branch Township Library. At the end of the night, there was a drawing for door prizes and most of the students left with armfuls of books from our free book station.

Thank you once again for helping to make this a successful literacy event!

CAMP LAEL EXPERIENCE

The 4th grade students had an incredible experience at Camp Lael in Lapeer! Over three beautiful fall days, students explored the wonders of life and living in Michigan through a variety of hands-on learning opportunities. They hiked to find edible plants, learned about animal adaptations, went canoeing, and pressed their own apple cider.

Students also discovered the history and importance of copper in Michigan by making historically accurate copper beads and explored local ecosystems by finding and identifying macroinvertebrates.

It was a fun and memorable trip filled with learning, adventure, and teamwork!

Project RED

NBE 3rd graders spent a day at the Imlay City fairgrounds for **Project RED** (*Rural Education Day*), learning many new things about farming, live-stock, native and invasive species, and U.S. Customs and Border Protection. Our students will soon be making connections with this learning during our upcoming Science units.

Bracelets

The school year began with excitement and community in Miss Deshetsy's and Mrs. Gormley's second grade classrooms. Students built connections through activities like the "energy stick," showing how teamwork lights up their classroom family, and received "family bracelets" to remind them they belong.

They also explored "prediction beads," which changed color in the sunlight – symbolizing a bright, magical year ahead.

The teachers are proud of their students' enthusiasm and kindness and look forward to a joyful year of learning, growth, and fun alongside supportive families.

PUKING PUMPKIN!

The students in Mrs. Burack's and Ms. Picarski's first grade class had a blast watching the "Puking Pumpkin" experiment!

Students Learn About Dental Care

NBE students enjoyed a visit from the Great Lakes Bay Mobile Dental Bus and learned about the importance of dental hygiene. Families also had the opportunity to take advantage of various dental services. We also partnered with LEAF 360 to provide monetary incentives to students' LEAF accounts for those who received dental care.

A big thank-you to LEAF 360 and the Great Lakes Bay Mobile Dental Bus for supporting our students' health and wellness!

NBE GARDEN CLUB

The NBE Garden Club is in full swing! Students in 3rd and 4th grade have been learning all about food preparation by making salsa and zucchini muffins, we have also learned about what insects are good for our garden, like spiders, butterflies and praying mantises, and what insects can hurt our garden like aphids, squash bugs and horned tomato worms.

We have harvested tomatoes, green peppers, pumpkins, onions, winter squash, zucchini, carrots, potatoes, green beans, cucumbers, peas and lettuce. Which all have been or will be used to serve our students plenty homegrown vegetables in the cafeteria.

In this club students are fostering a love and learning for gardening AND having an awesome time!

MRS. SCIGEL'S
GREAT PUMPKIN EXPERIMENT

Mrs. Scigel's class had a blast turning our pumpkins into scientific experiments! The students explored applied force and potential energy by wrapping pumpkins with hundreds of rubber bands, learning a fun, hands-on lesson about cause and effect as the pressure finally built up and made the pumpkins dramatically pop!

NATIONAL
FIRE
PREVENTION
WEEK

Special thanks to our local fire departments for bringing Fire Prevention Week to NBE!
We're grateful to North Branch, Deerfield Township, Burlington Township, and Arcadia Fire Departments for teaching our students about fire safety and helping them learn how to stay safe.

FALL FAMILY FUN FAIR!

A huge thank-you to our NBE PTC for organizing the Fall Family Fun Fair! Students and families enjoyed an evening filled with laughter and excitement – pieing staff, dunking teachers in the dunk tank, playing carnival games, getting their faces painted, and making wonderful memories together.

New Head Coaching Staff – **Phil Proper** (Varsity Softball)

North Branch High School has a new head Softball Coach! We are excited to have **Phil Proper** join our Softball family. Coach Proper is very excited and ready to get

things going. His knowledge, diligence and attention to detail are going to help move our program forward.

Individual or Family Pass Memberships

Did you know that North Branch has Season Passes!

These can be purchased in the High School Office or at any gate for our winter events.

ALL SPORTS PASS

\$135

Entire Family

\$75

Individual

There are passes for less that gain you access to just a particular sport for a whole season as well.

Call the athletic office at 810-688-2518 for details.

Congratulations to our Lady Broncos Volleyball Team, BWAC & District Champs!

Our Lady Broncos Volleyball team became District Champs once again this year! This makes 21 straight years of District Champions under the leadership of Coach Fish!

Athletic Booster Raffle

The North Branch Athletic Boosters will hold their Annual Reverse Raffle Dinner on

**Saturday,
February 21, 2026
at 6pm**

The event will be held at the **Sweet Wedding Chapel & Fellowship Hall** located at **473 W. Barnes Lake Rd.**

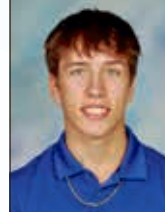

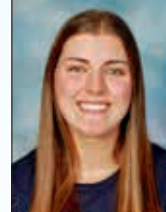

Tickets will go on sale after winter break, contact a coach or an Athletic Booster member to purchase a ticket. There will be many raffles and a grand prize of \$2,000 cash. Come join the fun!

We hope to see you there!
