1. Narrative description of the Proposition 28 arts education programs funded (2500 character limit).

Nueva Vista Language Academy (NVLA) recognizes the vital role of arts and music education in developing critical thinking, fostering social-emotional growth, and promoting cultural understanding. In the 2024–2025 school year, NVLA did not expend any Proposition 28 Arts and Music in Schools Program funds, as other funding sources were used to support the continued growth of our arts programs.

Looking ahead, NVLA plans to utilize Proposition 28 funds to expand and enrich its visual arts program. Planned offerings include photography, graphic design, painting, and drawing. To support this growth, NVLA will employ a part-time art teacher and invest in upgraded materials and equipment to enhance student creativity and skill development. Professional development opportunities will also be provided for visual arts educators, including onsite workshops and clinics led by experts in the field, ensuring high-quality instruction and innovative practices in the classroom.

Students will have access to enriching experiences such as attending live performances, visiting art exhibits, and participating in school plays, dance recitals, visual art showcases, and both instrumental and vocal music performances.
